

# TACTICAL PLUS RIFLE SLING - BROWN SLING

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

## Urethane-Coated Nylon Wears Like Iron, Flexes Like Leather

Extreme-duty, tactical sling withstands the rigors of military, law enforcement, and other tactical operations while maintaining the high level of comfort and mobility associated with leather. Based on the 1907 Military sling that's still one of the finest slings ever invented for carry and shooting. Adjustable, 1¼" wide, BioThane® strap provides superior strength and weather-resistance; won't crack, peel, or become stiff in frigid temperatures. Specially tempered, non-slip, urethane coating eliminates break-in time; flexes like leather, yet is impervious to sweat and water. The extra-tough, steel hooks are the same ones we use on our famous, Competitor Plus™ slings. The hooks and D-ring are hardened and parkerized for extra strength and corrosion protection. Three, large-head, brass rivets are driven-in from the backside of the hooks and ground smooth for superior holding strength and a clean, low-profile appearance. 7/8" wide keepers provide excellent sling retention; will not stretch or lose original shape.

## Attributes

- Name: [BROWN SLING](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 084000123
- Mfr. No.: NONE
- Color: Brown
- Material: BioThane

# TACTICAL PLUS RIFLE SLING BROWN Safety Instruction Guide

## Introduction

Thank you for choosing the TACTICAL PLUS RIFLE SLING BROWN. This product is designed for extreme duty use in military, law enforcement, and tactical operations while providing comfort and mobility. Please read this safety instruction guide carefully to ensure safe and effective use of the sling.

## General Safety Guidelines

- Ensure that the sling is used only for its intended purpose.
- Regularly inspect the sling for any signs of wear, damage, or malfunction.
- Keep the sling away from children and vulnerable individuals to prevent accidents.
- Do not modify the sling in any way; alterations can compromise safety and performance.
- If the sling shows any signs of damage, discontinue use immediately and replace it.
- Always follow the manufacturer's instructions for use and maintenance.

## Specific Safety Precautions for Use

- Always ensure that the sling is securely attached to your firearm before use.
- When adjusting the sling, do so slowly and carefully to avoid sudden movements that may cause injury.
- Avoid using the sling in extreme weather conditions that may affect its performance.
- Be cautious of the sling's hooks and Dring, as they can cause injury if not handled correctly.
- Ensure that the sling does not interfere with the operation of your firearm.
- When using the sling, maintain a clear line of sight and awareness of your surroundings to avoid accidents.

## Instructions for Installation and Usage

### 1. Installation:

- Attach the steel hooks to the designated attachment points on your firearm.
- Ensure that the hooks are fully engaged and secure.
- Adjust the length of the BioThane strap to your desired fit by sliding the adjuster.
- Confirm that the strap is not twisted and lies flat against the firearm.

### 2. Usage:

- To carry the firearm, place the sling over your shoulder, ensuring that it rests comfortably.
- For shooting, adjust the sling to provide stability without compromising mobility.
- Always check the sling's tension before aiming to ensure a secure hold.
- When transitioning from carry to shooting position, do so smoothly to maintain control of the firearm.

### 3. Maintenance:

- Clean the sling regularly with a damp cloth to remove dirt and debris.
- Inspect the hooks and Dring for any signs of wear or corrosion.
- Store the sling in a cool, dry place when not in use.

## **Disposal Instructions**

- Dispose of the sling in accordance with local regulations regarding fabric and metal waste.
- If the sling is damaged beyond repair, ensure it is disposed of safely to prevent accidental use.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the TACTICAL PLUS RIFLE SLING BROWN, please refer to the manufacturer's contact information provided with the product packaging.

By following these guidelines, you can ensure a safe and effective experience with your TACTICAL PLUS RIFLE SLING BROWN. Thank you for your attention to safety.
