

# **REALLY HEAVY DUTY SQUARE 100% COTTON PATCHES - BROWNELLS HEAVY DUTY COTTON ROUND PATCHES,.875"/.22-.25 CAL, 1000 PACK**

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Bore Patches](#)

Extra tough patch that is fleeced on one side, natural on the other to get into the cracks and crevices where dirt hides. The heavy woven twill side scrubs well, while the fleece side is super absorbent. Made from 10 oz. per yard, 104 thread count per square inch, flannel glove cotton for durability. Strips are 7/8' x 6' for custom cuts to fit specific cleaning needs and are ideal for loop-style tips. Packaged in bags of 100 or 1000 in a variety of calibers. For really heavy duty cleaning jobs, you need a Really Heavy Duty Patch. SPECS: Extra Heavy Duty Flannel Glove Cotton. 100 & 1000 Packs

# **Safety Instruction Guide for REALLY HEAVY DUTY SQUARE 100% COTTON PATCHES**

## **Introduction**

Thank you for choosing the REALLY HEAVY DUTY SQUARE 100% COTTON PATCHES. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully to understand how to use the patches safely and responsibly.

## **General Safety Guidelines**

- Always use the patches in accordance with the intended purpose.
- Keep the patches out of reach of children and vulnerable individuals.
- Inspect the patches before use. Do not use if damaged or worn.
- Follow all local regulations regarding the disposal of textile products.

## **Specific Safety Precautions for Use**

- Ensure that the cleaning area is wellventilated to avoid inhalation of any dust or particles.
- Use protective gloves if you have sensitive skin or are prone to allergies.
- Avoid using the patches near open flames or heat sources, as they are made of cotton and can catch fire.
- Do not ingest the patches or use them for any purpose other than cleaning firearms.
- If irritation occurs during use, discontinue use immediately and seek medical attention if necessary.

## **Instructions for Installation and Usage**

### **1. Preparation**

- Gather all necessary cleaning tools and materials before starting.
- Ensure that your firearm is unloaded and pointed in a safe direction.

### **2. Using the Patches**

- Take a patch from the package. Each patch measures .875 inches in diameter.
- If needed, cut the patch into smaller pieces using scissors for specific cleaning needs.
- Attach the patch to a cleaning rod or loopstyle tip.

### **3. Cleaning Process**

- Apply the appropriate cleaning solvent to the patch.
- Insert the patch into the bore of the firearm and scrub gently.
- Use the heavy woven twill side for scrubbing and the fleeced side for absorption.
- Repeat as necessary until the firearm is clean.

### **4. PostCleaning Care**

- Dispose of used patches responsibly. Do not flush down the toilet or discard inappropriately.
- Clean your tools and workspace after use.

## **Disposal Instructions**

- Dispose of used patches in accordance with local regulations for textile waste.
- Do not incinerate the patches, as this may release harmful substances.

- Consider recycling options where available.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of REALLY HEAVY DUTY SQUARE 100% COTTON PATCHES, please consult the manufacturer or your local retailer for assistance.

Please ensure to follow these guidelines to maintain a safe environment while using the REALLY HEAVY DUTY SQUARE 100% COTTON PATCHES. Your safety is our priority.
