BATF "PERSONAL FIREARMS" TAGS Safety Instruction Guide

Introduction

Thank you for choosing the BATF "PERSONAL FIREARMS" TAGS. These tags are designed to clearly indicate that a weapon in your shop is a personal firearm and is not for sale. This guide provides essential safety instructions to ensure compliance with EU General Product Safety Regulation (GPSR) and to promote safe usage of the product.

General Safety Guidelines

- Always ensure that tags are used in compliance with local regulations regarding personal firearms.
- Keep tags out of reach of children and vulnerable individuals to prevent misuse.
- Regularly check for any updates on safety recalls related to this product through the EU's Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the tags are securely attached to the firearm using the included removable ties.
- Do not modify the tags in any way, as this may compromise their effectiveness.
- Use the tags only for their intended purpose; do not use them for any other items or applications.
- Inspect the tags regularly for signs of wear or damage. Replace tags that are damaged or unreadable.

Instructions for Installation and Usage

1. Tagging Firearms:

- Take a BATF tag from the pack.
- Write the necessary information on the tag if required.
- Use the removable tie to securely attach the tag to the firearm.

2. Displaying Firearms:

- Ensure that all firearms marked with the BATF tags are stored in a safe and secure location.
- Keep the tags visible and legible at all times.

3. Compliance Check:

- Regularly verify that all personal firearms in your shop have the appropriate tags attached.
- Ensure that your shop remains in compliance with BATF regulations.

Disposal Instructions

- Dispose of any unused or damaged tags in accordance with local waste disposal regulations.
- If the tags are no longer needed, consider recycling them if possible, following local recycling guidelines.
