# Safety Instruction Guide for BRASS LOOP BROWNELLS CLEANING ROD LOOP, BRASS .17.22 CALIBER, 540M

## Introduction

Thank you for choosing the BRASS LOOP BROWNELLS CLEANING ROD LOOP, BRASS .17.22 CALIBER, 540M. This product is designed to assist in cleaning the bore of your firearm safely and effectively. To ensure your safety and the longevity of your firearm, please read and follow all instructions and safety guidelines outlined in this document.

## General Safety Guidelines

- **Product Safety:** This product is designed to be safe for use with firearms. Ensure that you follow all safety instructions to prevent accidents.
- **Enhanced Recalls:** In the unlikely event that this product is found to be unsafe, a recall will be issued. Please stay informed about any updates regarding recalls.
- **Online Shopping:** If you purchased this product online, you are entitled to the same safety protections as if you bought it in a physical store.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, please refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Stay updated on product safety through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Read Instructions:** Always read and understand the instructions before using the product.
- **Inspect Before Use:** Check the brass loop for any signs of damage or wear before using it.
- **Use Appropriate Rods:** Ensure that the male threads fit the cleaning rod or adapter you are using.
- **Avoid Overtightening:** Do not overtighten the brass loop on the rod to prevent damage.
- **Use in a Safe Environment:** Always clean your firearm in a wellventilated area away from flammable materials.
- **Wear Protective Gear:** Consider wearing safety goggles and gloves while cleaning your firearm to protect against potential debris.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather all necessary materials, including cleaning rods, patches, and cleaning solutions.

### 2. Installation:

- Align the male threads of the brass loop with the cleaning rod.
- Gently screw the brass loop onto the rod until secure. Avoid overtightening.

### 3. Usage:

- Attach a cleaning patch to the brass loop.
- Insert the cleaning rod into the bore of the firearm.

- Move the rod back and forth gently to clean the bore. Do not force the rod.
- After cleaning, remove the brass loop and patch from the rod.

#### 4. **PostUsage:**

- Clean the brass loop and rod with a suitable cleaning solution.
- Store the brass loop in a dry place to prevent corrosion.

## **Disposal Instructions**

- **Responsible Disposal:** Dispose of any damaged or worn components in accordance with local waste disposal regulations.
- **Recycling:** If possible, recycle the brass loop as metal waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the BRASS LOOP BROWNELLS CLEANING ROD LOOP, BRASS .17.22 CALIBER, 540M, please refer to the contact information provided by your retailer or manufacturer.

Please ensure that you keep this safety instruction guide for future reference. Your safety and the safe operation of your firearm are of utmost importance. Thank you for your attention to these safety guidelines.
