# **Safety Instruction Guide for BRASS LOOP BROWNELLS CLEANING ROD LOOP, BRASS, .30.38 CALIBER, 832M**

## **Introduction**

Thank you for choosing the BRASS LOOP BROWNELLS CLEANING ROD LOOP, BRASS, .30.38 CALIBER, 832M. This product is designed to assist in the maintenance of your firearm by providing a reliable method for cleaning the bore. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## **General Safety Guidelines**

- Ensure that the product is used only for its intended purpose as described in this guide.
- Always handle firearms and cleaning equipment with care. Follow all safety protocols associated with firearm maintenance.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay updated on product recalls through the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

- Verify the compatibility of the brass loop with your cleaning rod and firearm caliber.
- Avoid using excessive force when attaching or detaching the brass loop to prevent damage.
- Do not use the brass loop if it shows signs of wear or damage.
- Ensure that the firearm is unloaded and pointed in a safe direction when using the brass loop.
- Use the brass loop in a wellventilated area to avoid inhaling any cleaning solvents or chemicals.

## **Instructions for Installation and Usage**

### **1. Compatibility Check**

- Ensure that your cleaning rod has male threads that fit the brass loop (832 threads).
- Confirm that the caliber of your firearm is compatible with the brass loop (e.g., .38/357, .30, .338, etc.).

### **2. Installation**

- Align the brass loop with the threads of the cleaning rod.
- Gently screw the brass loop onto the cleaning rod until it is securely attached. Avoid overtightening.

### **3. Usage**

- Attach a cleaning patch to the brass loop.
- Insert the cleaning rod into the bore of the firearm, ensuring it is properly aligned.
- Pull the cleaning rod through the bore, applying gentle pressure as needed.
- Repeat the cleaning process as necessary, using fresh patches for optimal results.

### **4. PostUse Care**

- After use, remove the brass loop from the cleaning rod.

- Clean the brass loop with a soft cloth to remove any debris or cleaning solvent.
- Store the brass loop in a safe, dry place away from children.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the brass loop in regular household waste if it is damaged or worn; check for recycling options.
- Ensure that any cleaning materials used with the brass loop are also disposed of responsibly.

## **Contact Information for Further Support**

For any questions or concerns regarding the BRASS LOOP BROWNELLS CLEANING ROD LOOP, BRASS, .30.38 CALIBER, 832M, please refer to the manufacturer's website or customer service resources. Ensure that you have your product details available for a more efficient inquiry.

By following these safety guidelines and instructions, you can ensure a safe and effective cleaning experience with your BRASS LOOP BROWNELLS CLEANING ROD LOOP, BRASS, .30.38 CALIBER, 832M. Thank you for your attention to safety.
