# Safety Instruction Guide for BRASS LOOP BROWNELLS CLEANING ROD LOOP, BRASS, .38.45 CALIBER, 832M

## Introduction

Thank you for choosing the BRASS LOOP BROWNELLS CLEANING ROD LOOP, BRASS, .38.45 CALIBER, 832M. This product is designed to assist you in cleaning the bore of your firearm safely and effectively. This safety instruction guide provides essential information to ensure your safety and the proper use of this product in accordance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure safe use of the BRASS LOOP by following these guidelines:
  - Always handle firearms with care and ensure they are unloaded before cleaning.
  - Use the BRASS LOOP only for its intended purpose – to hold a patch for cleaning.
  - Inspect the BRASS LOOP for any damage before use. Do not use if damaged.
  - Keep the product out of reach of children and vulnerable individuals.
  - Report any unsafe conditions or accidents to relevant authorities.
- Enhanced recall procedures are in place. Stay informed about product recalls through the EU's Safety Gate platform.
- If purchasing online, ensure that the retailer complies with safety requirements equivalent to those of physical stores.
- Always be aware of specific protections for vulnerable groups, including children.

## Specific Safety Precautions for Use

- Follow these precautions to prevent accidents and injuries:
  - Always ensure that the firearm is pointed in a safe direction when cleaning.
  - Use protective eyewear to shield your eyes from potential debris.
  - Do not apply excessive force when attaching or detaching the BRASS LOOP from cleaning rods.
  - Make sure that the BRASS LOOP is securely attached before using it to clean the firearm.
  - Avoid using the BRASS LOOP with incompatible cleaning rods or adapters.
  - Do not use the BRASS LOOP if you are unsure about its compatibility with your cleaning rod.

## Instructions for Installation and Usage

- Follow these steps for proper installation and usage of the BRASS LOOP:
  1. **Select the Appropriate Cleaning Rod:**
    - Ensure that your cleaning rod is compatible with the 832 male threads of the BRASS LOOP.
  2. **Attach the BRASS LOOP:**
    - Screw the BRASS LOOP onto the cleaning rod until it is securely fastened. Do not overtighten.
  3. **Prepare the Patch:**
    - Take a cleaning patch suitable for your firearm caliber and insert it into the BRASS LOOP.
  4. **Use the BRASS LOOP:**
    - Carefully insert the cleaning rod with the attached BRASS LOOP into the bore of the firearm.
    - Move the rod back and forth to clean the bore effectively.
  5. **Detach After Use:**
    - Once cleaning is complete, carefully remove the BRASS LOOP from the cleaning rod by unscrewing it.
- Always store the BRASS LOOP in a safe place when not in use to prevent damage or misuse.

## **Disposal Instructions**

- Dispose of the BRASS LOOP responsibly:
  - If the product is damaged or no longer needed, dispose of it in accordance with local regulations.
  - Do not dispose of the BRASS LOOP in regular household waste. Check for recycling options in your area.

## **Contact Information for Further Support**

- For any inquiries regarding safety or product information, please consult the retailer or manufacturer directly. Ensure to have your purchase details handy for reference.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
