# Safety Instruction Guide for BRASS LOOP BROWNELLS 50 CALIBER/SHOTGUN BRASS LOOP 1032M

## Introduction

Thank you for choosing the BRASS LOOP BROWNELLS 50 CALIBER/SHOTGUN BRASS LOOP 1032M. This product is designed to assist in the maintenance and cleaning of your firearm. It is important to follow the safety guidelines and instructions provided in this manual to ensure safe and effective use.

## General Safety Guidelines

- Always handle firearms with care and follow the basic rules of firearm safety.
- Ensure the firearm is unloaded before attaching or using the brass loop.
- Keep the brass loop and all cleaning materials out of reach of children and vulnerable individuals.
- Regularly inspect the brass loop for any signs of wear or damage before use.
- Do not use the brass loop if it appears damaged or if the threads do not fit properly with your cleaning rod.
- Be aware of your surroundings when cleaning your firearm to prevent accidents.

## Specific Safety Precautions for Use

- Use the brass loop only for its intended purpose of holding a patch for cleaning.
- Ensure that the patch is securely attached to the brass loop before inserting it into the bore of the firearm.
- Avoid using excessive force when attaching the brass loop to the cleaning rod to prevent stripping the threads.
- Do not use the brass loop with incompatible cleaning rods or adapters.
- Always clean the brass loop after use to prevent buildup of residue that may affect performance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure you have the correct cleaning rod that fits the brass loop's male threads (1032M).
- Align the threads of the brass loop with the cleaning rod.
- Gently screw the brass loop onto the cleaning rod until it is securely fastened. Avoid overtightening.

### 2. Usage:

- Select an appropriate cleaning patch for your caliber (.500.501 for 50 caliber).
- Place the cleaning patch securely in the brass loop.
- Insert the brass loop into the bore of the firearm, ensuring it is aligned properly.
- Gently pull the cleaning rod through the bore to clean the interior without scratching the surface.
- After cleaning, carefully remove the brass loop from the firearm and detach the cleaning patch.

## Disposal Instructions

- Dispose of the brass loop according to local regulations regarding metal recycling.
- Do not dispose of the brass loop in regular household waste.
- If the brass loop is damaged or no longer usable, ensure it is recycled to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the BRASS LOOP BROWNELLS 50 CALIBER/SHOTGUN BRASS LOOP 1032M, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website for additional resources.

Remember, your safety and the safety of others is paramount. Always follow the guidelines and instructions provided to ensure a safe and effective cleaning experience with your firearm. Thank you for your attention to these important safety instructions.
