# Safety Instruction Guide for BRASS LOOP CLEANING ROD LOOP

## Introduction

Thank you for choosing the BRASS LOOP CLEANING ROD LOOP. This product is designed to assist in the cleaning of firearm bores while ensuring safety and ease of use. Please read this safety instruction guide carefully to understand the proper handling, usage, and disposal of the product.

## General Safety Guidelines

- Ensure that the product is used in accordance with the instructions provided.
- Always handle cleaning equipment with care to prevent accidents and injuries.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage before use.
- If you encounter any issues or have safety concerns, report them to the relevant authorities.

## Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before cleaning.
- Use the cleaning rod loop only with compatible cleaning rods to avoid damage.
- Do not apply excessive force when using the cleaning rod loop to prevent breakage.
- Avoid using the product in wet or damp conditions to reduce the risk of corrosion.
- If you notice any unusual behavior or damage while using the product, cease use immediately.

## Instructions for Installation and Usage

1. **Compatibility Check:** Verify that the cleaning rod loop is compatible with your cleaning rod. The male threads fit most popular rods and adapters.
2. **Attaching the Loop:**
  - Align the threads of the cleaning rod with the loop.
  - Gently screw the loop onto the rod until secure. Do not overtighten.
3. **Using the Loop:**
  - Attach a cleaning patch to the brass loop.
  - Insert the cleaning rod into the bore of the firearm, ensuring it is aligned properly.
  - Move the rod back and forth gently to clean the bore without scratching.
4. **After Use:**
  - Remove the cleaning patch from the loop.
  - Clean the brass loop and rod with a dry cloth to prevent residue buildup.
  - Store the product in a dry, safe place away from children.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for metal recycling.
- Do not dispose of the product in household waste.
- If the product is damaged beyond use, ensure it is disposed of safely to prevent injury.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the BRASS LOOP CLEANING ROD LOOP, please refer to your local regulatory authorities or product retailer for guidance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our priorities.
