

SQUARE CROSS-LOCK PATCHES - BROWNELLS SQUARE CROSS-LOCK PATCHES, 1-1/8", .22-.25 CAL, 1000 PACK

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Bore Patches](#)

Two Textures In One Patch For Aggressive Scrubbing Or Application Of Solvents & Oils

Extra-tough, heavy duty patches with a cross-locking coarse weave on one side for aggressive removal of copper, plastic wad, lead and powder fouling, plus a smooth, flat weave on the other side to apply solvents or oils onto the lands and grooves. Made from a lint-free, super-absorbent blend of cotton and cellulosic fibers that hold more solvent and absorb more fouling than traditional patches. Sized for most calibers, from .22 centerfire to 12 gauge shotguns. Available in 1,000-Paks.

Safety Instruction Guide for SQUARE CROSSLOCK PATCHES BROWNELLS

Introduction

Thank you for choosing SQUARE CROSSLOCK PATCHES BROWNELLS. These patches are designed to provide effective cleaning for your firearms. To ensure safe and effective use, please read and follow this safety instruction guide carefully.

General Safety Guidelines

- Always use the patches in accordance with the manufacturer's instructions.
- Keep patches out of reach of children and pets to prevent accidental ingestion or misuse.
- Inspect patches before use. Do not use if damaged or contaminated.
- Store patches in a cool, dry place away from direct sunlight and moisture.
- Dispose of used patches properly to prevent environmental contamination.

Specific Safety Precautions for Use

- Use patches only for their intended purpose, which is cleaning firearms.
- Avoid using patches on hot surfaces or immediately after firing a weapon.
- Do not use excessive force when applying or removing patches to prevent injury or damage.
- Ensure proper ventilation in your cleaning area to avoid inhalation of fumes from solvents or oils.
- Follow the solvent or oil manufacturer's safety instructions when applying products to the patches.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary cleaning materials, including the patches, solvent or oil, cleaning rod, and any additional tools.
- Ensure your firearm is unloaded and pointed in a safe direction.

2. Applying Solvent or Oil:

- Apply an appropriate amount of solvent or oil to a patch. Do not oversaturate.
- Use the smooth side of the patch for applying solvents or oils.

3. Cleaning the Firearm:

- Insert the cleaning rod through the patch and attach it securely.
- Insert the rod into the firearm's bore and gently pull it through. Repeat as necessary.
- Use the coarse side of the patch for aggressive removal of fouling.
- Dispose of used patches in accordance with local regulations.

4. PostCleaning:

- After cleaning, ensure the firearm is dry and free of any cleaning materials before storing.
- Store patches in their original packaging or a suitable container to keep them clean and dry.

Disposal Instructions

- Dispose of used patches in accordance with local waste disposal regulations.

- Do not flush patches down the toilet or dispose of them in a manner that could harm the environment.

Contact Information for Further Support

For any safety inquiries or further support, please refer to the manufacturer's contact information provided with the product packaging.

By following these guidelines, you can ensure a safe and effective cleaning experience with your SQUARE CROSSLOCK PATCHES BROWNELLS. Thank you for prioritizing safety in your firearm maintenance practices.
