

SQUARE CROSS-LOCK PATCHES - BROWNELLS SQUARE CROSS-LOCK PATCHES, 1-3/8", .25-.270 CAL, 1000 PACK

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Bore Patches](#)

Two Textures In One Patch For Aggressive Scrubbing Or Application Of Solvents & Oils

Extra-tough, heavy duty patches with a cross-locking coarse weave on one side for aggressive removal of copper, plastic wad, lead and powder fouling, plus a smooth, flat weave on the other side to apply solvents or oils onto the lands and grooves. Made from a lint-free, super-absorbent blend of cotton and cellulosic fibers that hold more solvent and absorb more fouling than traditional patches. Sized for most calibers, from .22 centerfire to 12 gauge shotguns. Available in 1,000-Paks.

Safety Instruction Guide for SQUARE CROSSLOCK PATCHES

Introduction

Thank you for choosing the SQUARE CROSSLOCK PATCHES by Brownells. These patches are designed for effective cleaning of firearms, ensuring optimal performance and longevity. This guide provides essential safety instructions and usage guidelines in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe use of the SQUARE CROSSLOCK PATCHES by following these guidelines:
 - Always read and understand the product instructions before use.
 - Keep the product out of reach of children and vulnerable individuals.
 - Inspect the patches for any damage before use. Do not use if damaged.
 - Use the patches only for their intended purpose as described in this guide.
 - Store the product in a dry, cool place away from direct sunlight.

Specific Safety Precautions for Use

- When using the SQUARE CROSSLOCK PATCHES, please observe the following precautions:
 - Avoid contact with eyes and skin. If contact occurs, rinse thoroughly with water.
 - Do not ingest the patches or any materials associated with them.
 - Use only in wellventilated areas, especially when applying solvents or oils.
 - Follow all manufacturer instructions for solvents or oils used with the patches.
 - Dispose of used patches properly to avoid environmental contamination.

Instructions for Installation and Usage

- Follow these steps for the proper installation and usage of SQUARE CROSSLOCK PATCHES:
 1. Select the appropriate size and caliber patch for your firearm as listed in the product specifications.
 2. Ensure your firearm is unloaded and pointed in a safe direction before cleaning.
 3. Attach the patch to a cleaning rod or jag.
 4. For aggressive fouling removal, use the coarse weave side of the patch.
 5. To apply solvents or oils, use the smooth, flat weave side of the patch.
 6. After use, dispose of the patches according to the disposal instructions below.

Disposal Instructions

- Proper disposal of used patches is essential:
 - Do not dispose of used patches in regular household waste.
 - Follow local regulations for disposal of cleaning materials and chemicals.
 - Consider recycling options if available in your area.

Contact Information for Further Support

- For any safety inquiries or concerns regarding the SQUARE CROSSLOCK PATCHES, please refer to your retailer or manufacturer's website for contact details.

Conclusion

By adhering to these safety instructions, you can ensure a safe and effective experience while using the SQUARE CROSSLOCK PATCHES. Always prioritize safety and follow the guidelines provided to protect yourself and others. Thank you for your attention to these important safety measures.
