

# NEEDLE OILER BOTTLES - BROWNELLS NEEDLE OILERS, 1/2 FL. OZ., 3 PACK

[Gunsmith Tools](#) > [Shop Accessories & Supplies](#) > [Liquid Squeeze Bottles](#)

## Leakproof, Controlled, Metered Flow

Provides a consistent, small drop of your favorite lubricating oil, cleaner, bore solvent, stock stain or finish. Hollow steel "needle" accurately puts that drop of oil or solvent right where you need it most. Helps prevent over-lubrication, contamination and waste. Made from high density polyethylene plastic; fluorinated to resist breakdown from all common petroleum based solvents and protect any outer label from migration damage. Threaded aluminum top features a heavy-duty, inner, rubber seal and removable slip cap; both seal tightly and prevent leaks. NOTE: Color and style of actual bottles may vary slightly from photograph. Function is not affected.

# Needle Oiler Bottles Safety Instruction Guide

## Introduction

Thank you for choosing the Needle Oiler Bottles by Brownells. This guide provides essential safety instructions to ensure the safe use of this product. Please read the instructions carefully before using the bottles to avoid any potential hazards.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to dispense lubricating oil, cleaner, bore solvent, stock stain, or finish.
- Always keep the bottles out of reach of children and vulnerable individuals to prevent accidental ingestion or misuse.
- Regularly inspect the bottles for any signs of damage or wear. Do not use if damaged.
- Store the bottles in a cool, dry place away from direct sunlight to maintain product integrity.
- Follow all local regulations regarding the storage and disposal of lubricants and solvents.

## Specific Safety Precautions for Use

- Use the bottles in a wellventilated area to avoid inhalation of vapors from the lubricants or solvents.
- Avoid contact with skin and eyes. In case of contact, rinse immediately with plenty of water and seek medical advice if irritation persists.
- Do not use the bottles for any food or beveragerelated applications.
- Ensure that the cap is securely fastened when not in use to prevent leaks and contamination.
- Do not attempt to modify or repair the bottles. If problems arise, discontinue use immediately.

## Instructions for Installation and Usage

### 1. Filling the Bottle:

- Remove the slip cap from the threaded aluminum top.
- Fill the bottle with your chosen lubricating oil, cleaner, or solvent, ensuring not to overfill.
- Replace the slip cap securely to prevent leaks.

### 2. Dispensing the Product:

- Hold the bottle upright and gently squeeze to dispense a small drop of the liquid.
- Aim the hollow steel "needle" tip at the desired application area for precise dispensing.

### 3. Cleaning and Maintenance:

- After use, clean the needle tip with a suitable solvent to prevent clogs.
- Store the bottle with the cap on to maintain cleanliness and prevent evaporation.

### 4. Disposal Instructions:

- Dispose of any unused liquids in accordance with local hazardous waste disposal regulations.
- Recycle the plastic bottle and aluminum components where facilities exist.

## Contact Information for Further Support

For any safety inquiries or assistance regarding the Needle Oiler Bottles, please reach out to your local distributor or retailer. They will provide you with the necessary support and information.

This safety instruction guide is designed to comply with the EU General Product Safety Regulation (GPSR) and ensure safe usage of the Needle Oiler Bottles. Please retain this guide for future reference.
