Safety Instruction Guide for AR15/M16 Armorer's Small Parts Kit

Introduction

Thank you for choosing the AR15/M16 Armorer's Small Parts Kit by Brownells. This kit is designed for armorers and gunsmiths who service AR15 rifles. It contains essential small components necessary for maintaining both the upper and lower receivers of AR15s. To ensure your safety and the safe use of this product, please read and follow the instructions and safety guidelines outlined in this document.

General Safety Guidelines

- Always handle firearms and firearm components with care and responsibility.
- Ensure that you are in a safe environment when performing any assembly or disassembly of firearm parts.
- Keep the kit and its components out of reach of children and unauthorized individuals.
- Regularly inspect all components for wear or damage before use.
- Follow all local laws and regulations regarding firearms and their components.
- If you are unsure about any aspect of the assembly or maintenance process, seek assistance from a qualified professional.

Specific Safety Precautions for Use

- Wear appropriate safety gear, including safety glasses and gloves, while handling firearm components.
- Ensure that all tools used for installation are in good condition and appropriate for the task.
- Keep your workspace clean and organized to prevent accidents and loss of small parts.
- Avoid using excessive force when installing or removing parts to prevent damage to components or injury.
- Be aware of potential pinch points and sharp edges when handling small parts.
- Do not modify any components unless you are trained and authorized to do so.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and components from the kit.
- Ensure that the workspace is clean and welllit.

2. Assembly of Small Parts

- Refer to the product specifications for the quantity and type of components included in the kit.
- Follow manufacturer instructions for the specific assembly of parts, such as the trigger, hammer, and safety selector.
- Ensure that all components are installed in the correct orientation and position.

3. Inspection After Assembly

- After assembly, perform a thorough inspection of the firearm to ensure all parts are securely attached and functioning properly.
- Test the firearm in a safe environment to confirm proper operation.

4. Maintenance

- Regularly clean and maintain all components to ensure optimal performance.
- Replace any worn or damaged parts immediately to avoid safety hazards.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not throw away components in regular household waste if they are considered hazardous.
- Check with local authorities for safe disposal methods for firearm parts.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please contact the manufacturer's customer service or consult your local firearms expert.

Thank you for your attention to safety and for choosing the AR15/M16 Armorer's Small Parts Kit. Your commitment to responsible firearm handling is essential for ensuring safety for yourself and others.
