# Safety Instruction Guide for PURE LEAD BARREL VISE SHIMS

## Introduction

Thank you for choosing the PURE LEAD BARREL VISE SHIMS. These soft, pure lead shims are designed to provide a secure grip between your barrel and vise bushings without damaging the steel or bluing. This guide provides essential safety instructions and guidelines to ensure the safe use of this product.

## General Safety Guidelines

- Always read and understand the safety instructions before using the product.
- Ensure the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear before use.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use the shims only in a wellventilated area to avoid inhaling any dust or particles.
- Avoid using excessive force when placing the shims between the barrel and vise to prevent injury or damage.
- Do not use the shims if they show signs of significant wear or damage.
- Ensure that the work area is clear of obstacles to prevent tripping or falling hazards.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling the shims.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the barrel and vise are clean and free from debris.
- Inspect the shims for any signs of damage.

### 2. Placement:

- Cut the shims as necessary to fit between the barrel and vise bushings.
- Place the shims gently between the barrel and the vise, ensuring they are positioned correctly for maximum grip.

### 3. Securing the Barrel:

- Gradually tighten the vise to secure the barrel, avoiding excessive force.
- Check that the barrel is held firmly in place without any movement.

### 4. PostUse Care:

- After use, carefully remove the shims from the vise and inspect them for any wear.
- Clean the shims if necessary and store them in a safe location for future use.

## Disposal Instructions

- Dispose of the shims in accordance with local regulations for leadcontaining materials.

- Do not dispose of the shims in regular household waste.
- Contact your local waste management authority for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding the safety and use of the PURE LEAD BARREL VISE SHIMS, please refer to the contact information provided by the manufacturer.

Thank you for your attention to these safety instructions. Your safety is our priority.
