# Safety Instruction Guide for PUMP SPRAY BOTTLE WITH NOZZLE

## Introduction

Thank you for purchasing the PUMP SPRAY BOTTLE WITH NOZZLE by BROWNELLS. This guide provides essential safety instructions and usage information to ensure your safety and the effective use of the product. Please read this guide carefully before using the spray bottle.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep out of reach of children and pets.
- Always check the contents of the bottle before use.
- Do not use the spray bottle for flammable or reactive substances unless specified.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Material Sensitivity:** The PVC plastic bottle may be damaged by certain solvents. Always test the compatibility of the contents with the bottle material before filling.
- **Proper Handling:** Avoid direct contact with the nozzle while spraying to prevent accidental exposure to contents.
- **Storage:** Store the spray bottle in a cool, dry place away from direct sunlight and heat sources.
- **Visual Inspection:** Perform a visual check of the bottle and nozzle for any damage before each use. Do not use if damaged.
- **Adjusting the Nozzle:** Adjust the nozzle carefully to switch between fine spray and steady stream. Ensure it is secured in place after adjustment.

## Instructions for Installation and Usage

### 1. Filling the Bottle:

- Remove the nozzle from the bottle.
- Fill the bottle with the desired liquid, ensuring not to exceed the 16 fl. oz. (473 ml) capacity.
- Reattach the nozzle securely after filling.

### 2. Using the Spray Bottle:

- Hold the bottle upright and point the nozzle away from yourself and others.
- Press the pump to dispense the liquid. Adjust the nozzle to achieve the desired spray pattern.
- For best results, maintain a distance of 612 inches from the target area while spraying.

### 3. Cleaning the Nozzle:

- After use, clean the nozzle by rinsing it with water to prevent clogging.
- Store the bottle with the nozzle in the closed position when not in use.

## Disposal Instructions

- Dispose of the spray bottle responsibly in accordance with local regulations.
- If the bottle contained hazardous materials, ensure it is treated as hazardous waste.

- Recycle the bottle if possible, following local recycling guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the PUMP SPRAY BOTTLE WITH NOZZLE, please refer to the manufacturer's contact information provided on the packaging or product label.

Thank you for your attention to these safety instructions. Enjoy using your PUMP SPRAY BOTTLE WITH NOZZLE safely and effectively!
