

PERMANENT TAG TIES - BROWNELLS PERMANENT GUN TAG TIES, 500 PACK

[Gunsmith Tools](#) > [Shop Accessories & Supplies](#) > [Tags & Tickets](#)

Faster & Easier Than String Or Wire

Fast to put on, low cost, weatherproof, resistant to most things and will outlast wire, string or rubberbands. Permanent Tag Ties lock-on permanently and must be broken to be removed. Cannot be reused. Stops tag switching, pilferage and loss. Great where you don't want the tags removed.

Safety Instruction Guide for Permanent Tag Ties

Introduction

Thank you for choosing Brownells Permanent Tag Ties. This product is designed for secure tagging and labeling, ensuring that your tags remain in place and are not easily removed. This guide provides essential safety instructions and usage recommendations to ensure safe handling and application of the product.

General Safety Guidelines

- Always use the product as intended to avoid any potential hazards.
- Keep out of reach of children and vulnerable individuals to prevent accidental injury or misuse.
- Regularly check for wear and tear; replace any damaged ties to maintain effectiveness.
- Report any unsafe product experiences or accidents to appropriate authorities.

Specific Safety Precautions for Use

- Do not use Permanent Tag Ties near open flames or high temperatures, as this may compromise the material.
- Avoid using the ties in environments where they may be exposed to harsh chemicals or extreme weather conditions beyond their intended use.
- Ensure that the ties are applied correctly to avoid accidental release or injury during removal.
- Do not attempt to reuse the ties, as this could lead to failure and loss of tags.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the surface where you will apply the tag is clean and dry.
- Select the appropriate tag and position it where you want it to be secured.

2. Applying the Tag Tie:

- Thread the Permanent Tag Tie through the tag and around the object you wish to secure.
- Pull the tie through until it is snug but not overly tight, ensuring it is secure.

3. Finalizing the Installation:

- Once the tie is in place, press down on the locking mechanism to ensure it locks in securely.
- Confirm that the tag cannot be easily removed without breaking the tie.

4. Removing the Tag Tie:

- To remove the tag tie, use a pair of scissors or a cutting tool to cut the tie at the locking mechanism.
- Dispose of the broken tie responsibly; do not attempt to reuse.

Disposal Instructions

- Dispose of used Permanent Tag Ties in accordance with local waste disposal regulations.
- Do not dispose of the ties in recycling bins, as they are not recyclable.
- Ensure that discarded ties are kept out of reach of children and pets to prevent accidental ingestion.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please consult the appropriate contact resources provided by the retailer or manufacturer.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure the safe and effective use of Brownells Permanent Tag Ties.
