Safety Instruction Guide for Permanent Tag Ties

Introduction

Thank you for choosing the Permanent Tag Ties by Brownells. This product is designed for secure tagging and labeling, ensuring that tags remain in place and cannot be removed without breaking the tie. Please read this safety instruction guide thoroughly to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury or misuse.
- Regularly inspect the Permanent Tag Ties for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - The Permanent Tag Ties are designed to be secure and permanent. Improper use may lead to injury.
 - Avoid contact with sharp objects that may cut or damage the ties.
 - Do not use the ties in applications where they may pose a choking hazard.
- **Avoiding Hazards:**
 - Always ensure that the ties are applied in a safe manner, away from sensitive areas.
 - Do not attempt to reuse the ties after they have been broken; dispose of them safely.
 - If you experience any difficulty in removing a tie, do not force it; instead, use appropriate tools to cut it safely.

Instructions for Installation and Usage

1. Preparation:

- Gather your tags and the Permanent Tag Ties.
- Ensure the surface where the tags will be applied is clean and dry.

2. Installation:

- Insert the tag into the loop of the Permanent Tag Tie.
- Pull the tie through the locking mechanism until it is secure. Ensure that it is tightly fastened to prevent tag switching or pilferage.
- Check that the tie is locked in place and cannot be easily removed.

3. Usage:

- Use the Permanent Tag Ties in environments where tags should not be removed.
- Monitor the condition of the ties regularly, especially in outdoor or harsh environments, to ensure they remain effective.

4. Removal:

- To remove a Permanent Tag Tie, you must break it. Use scissors or a cutting tool to cut the tie safely.

- Dispose of broken ties responsibly to prevent any hazards.

Disposal Instructions

- Dispose of the Permanent Tag Ties in accordance with local waste management regulations.
- Do not dispose of them in a manner that may cause harm to the environment or wildlife.
