

# REMOVABLE TAG TIES - REMOVABLE GUN TAG TIES, 500 PACK

[Gunsmith Tools & Supplies](#) > [Shop Accessories & Supplies](#) > [Tags & Tickets](#)

## Faster & Easier Than String Or Wire

Fast to put on, low cost, weatherproof, resistant to most things and will outlast wire, string or rubberbands. Removable Tag Ties have locking notches along the entire length, can be easily removed and used again and again. Ideal for claim checks/work tags; quickly removed for repairing, polishing, bluing, etc., then put back on until gun is ready for pickup.

# Safety Instructions for Removable Tag Ties

## Introduction

Thank you for choosing the Removable Tag Ties by Brownells. These ties are designed to provide a secure and convenient way to label items, especially for use in firearms handling and maintenance. This guide outlines important safety instructions to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the ties for any signs of wear or damage before use.
- Do not use the ties if they show any signs of breakage or malfunction.
- Report any unsafe products or incidents to your local authorities.
- Check for any recall updates related to this product on the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Always use the ties in a welllit area to ensure proper handling.
- Avoid overstretching the ties, as this may lead to breakage.
- Do not use the ties in environments where they may be exposed to extreme temperatures or chemicals that could degrade their material.
- When removing the ties, do so gently to avoid injury or damage to the item being tagged.
- Ensure that the locking notches are fully engaged when applying the ties to prevent accidental release.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather the items you wish to tag.
- Ensure that the surface for tagging is clean and dry.

### 2. Applying the Tag Tie:

- Take one Removable Tag Tie from the pack.
- Insert the end of the tie through the locking notches to form a loop.
- Wrap the tie around the item securely, ensuring it is snug but not overly tight.
- Pull the end of the tie through the locking notches to secure it in place.

### 3. Removing the Tag Tie:

- To remove the tie, gently pull on the end of the tie to disengage it from the locking notches.
- If the tie is stuck, do not force it; instead, check for any obstructions or damage.

### 4. Reusing the Tag Tie:

- After removal, inspect the tie for any signs of wear.
- If the tie is in good condition, it can be reused for tagging other items.

## Disposal Instructions

- Dispose of any damaged or unusable ties responsibly.

- Follow local regulations for the disposal of plastic products.
- Encourage recycling where possible to minimize environmental impact.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the Removable Tag Ties, please refer to the manufacturer's contact information provided on the product packaging or visit the official website.

By following these safety instructions, you can ensure the safe and effective use of the Removable Tag Ties. Thank you for your attention to these guidelines.
