

REMOVABLE TAG TIES - BROWNELLS REMOVABLE GUN TAG TIES, 1000 PACK

[Gunsmith Tools](#) > [Shop Accessories & Supplies](#) > [Tags & Tickets](#)

Faster & Easier Than String Or Wire

Fast to put on, low cost, weatherproof, resistant to most things and will outlast wire, string or rubberbands. Removable Tag Ties have locking notches along the entire length, can be easily removed and used again and again. Ideal for claim checks/work tags; quickly removed for repairing, polishing, bluing, etc., then put back on until gun is ready for pickup.

REMOVABLE TAG TIES SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing Brownells Removable Tag Ties. These versatile ties are designed for easy attachment and removal, making them ideal for use in various applications, including claim checks and work tags. This safety instruction guide aims to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always inspect the tag ties before use. Do not use if damaged or worn.
- Keep tag ties out of reach of children and pets to prevent choking hazards.
- Use tag ties only for their intended purpose. Misuse may lead to accidents or injuries.
- Follow local regulations for the use and disposal of plastic products.

Specific Safety Precautions for Use

- Ensure that the tag ties are securely fastened to prevent accidental removal during use.
- Avoid using tag ties in high-temperature environments or near open flames.
- Do not overload the tag ties beyond their intended use, as this may cause breakage.
- If using tag ties in outdoor environments, ensure they are stored properly to prevent exposure to extreme weather conditions.

Instructions for Installation and Usage

1. Preparation:

- Gather the items you wish to tag.
- Ensure that the surface where the tag tie will be attached is clean and dry.

2. Attaching the Tag Tie:

- Take the tag tie and insert the pointed end through the tag or item you wish to attach.
- Pull the tie through until the desired length is reached.

3. Securing the Tag Tie:

- Pull the tie to tighten it around the item securely.
- Ensure that the locking notches are engaged to prevent accidental loosening.

4. Removing the Tag Tie:

- To remove the tag tie, gently pull the tie away from the item while pressing on the locking notches.
- The tie can be reused multiple times if not damaged.

5. Storing the Tag Ties:

- Store unused tag ties in a cool, dry place away from direct sunlight and extreme temperatures.

Disposal Instructions

- Dispose of used tag ties in accordance with local waste disposal regulations.
- If possible, recycle the tag ties according to local recycling guidelines to minimize environmental impact.
