

RUST PREVENTIVE No. 2™ - BROWNELLS RUST PREVENTIVE #2, EMPTY SPRAY BOTTLE, 16OZ

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Rust Prevention](#)

Neutralizes Fingerprints, Displaces Moisture, Prevents Rust

The gun oil that's a rust proofer too! Proven in over 40 years of all-climate performance to prevent rust in the worst possible hunting and shooting weather and locations. Definitely not a space age chemical that raises hob with gun finishes and bluing, but a blend of petroleum distillates specially formulated for use on guns, tools and machinery. Penetrates pores to get down under fingerprints and moisture, then leaves an invisible film to protect and lubricate. Unlike general purpose water displacing rust proofers, RP2 won't gum-up in the nooks and crannies. Pints are supplied in a handy, pump spray bottle.

RUST PREVENTIVE No. 2™ Safety Instruction Guide

Introduction

Thank you for choosing RUST PREVENTIVE No. 2™. This product is designed to prevent rust on guns, tools, and machinery, ensuring their longevity and performance. This safety instruction guide provides essential information for the safe use and handling of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read the label and product information before use.
- Keep the product out of reach of children and pets.
- Use the product only for its intended purpose.
- Ensure adequate ventilation when using the product.
- Avoid contact with skin and eyes. In case of contact, rinse immediately with plenty of water and seek medical advice if necessary.
- Do not ingest. If swallowed, seek medical attention immediately.
- Store in a cool, dry place away from direct sunlight and heat sources.
- Dispose of the product and its container in accordance with local regulations.

Specific Safety Precautions for Use

- Use protective gloves and eyewear when applying the product to avoid skin and eye irritation.
- Do not spray near open flames or sources of ignition.
- Ensure that the area is wellventilated to prevent inhalation of fumes.
- Avoid prolonged exposure to the product. If you experience dizziness or respiratory issues, move to fresh air immediately.
- Do not mix with other chemicals unless specified by the manufacturer.

Instructions for Installation and Usage

1. Preparation:

- Shake the spray bottle well before use.
- Ensure the surface to be treated is clean and dry.

2. Application:

- Hold the spray bottle approximately 6 to 12 inches away from the surface.
- Spray a thin, even coat over the area to be protected.
- Allow the product to penetrate for a few minutes.

3. PostApplication:

- Wipe off any excess product with a clean cloth.
- Allow the treated surface to dry completely before using the item.

4. Storage:

- After use, ensure the cap is securely fastened.
- Store the bottle upright in a cool, dry place.

Disposal Instructions

- Dispose of empty containers and unused product in accordance with local waste management regulations.
- Do not pour leftover product down the drain or into the environment.

Contact Information for Further Support

For any safety inquiries or further support regarding RUST PREVENTIVE No. 2™, please refer to the manufacturer's contact information provided on the product label.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of RUST PREVENTIVE No. 2™. Always prioritize safety and refer to this guide for best practices in handling and using the product. Thank you for your attention to safety!
