# Safety Instructions for .22 Universal Magazine Springs

## Introduction

Thank you for choosing the .22 Universal Magazine Springs by Brownells. This product is designed to enhance your .22 rimfire tube magazines. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the product is used only as intended and in accordance with the instructions provided.
- Always keep the magazine springs out of reach of children and vulnerable individuals.
- Regularly inspect the magazine springs for any signs of wear or damage before use.
- Store the product in a cool, dry place away from direct sunlight and moisture.
- Dispose of any damaged or unusable springs in a responsible manner.

## Specific Safety Precautions for Use

- Before installation, ensure that the firearm is unloaded and pointed in a safe direction.
- Use protective eyewear when handling or installing the magazine springs to prevent injury.
- Do not attempt to modify the magazine springs as this may compromise safety and functionality.
- Be cautious of pinch points when installing the springs, as they may cause injury.
- If you experience any difficulty during installation, consult a qualified gunsmith for assistance.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that your firearm is unloaded and in a safe condition.
- Gather necessary tools for installation, including a pair of pliers if required.

### 2. Cutting the Spring to Length

- Measure the required length of the magazine spring based on your specific tube magazine.
- Use a cutting tool to cut the spring to the desired length, ensuring clean and even cuts.

### 3. Installation

- Insert the cut magazine spring into the tube magazine, ensuring it is positioned correctly.
- Compress the spring slightly to allow for easy insertion.
- Ensure that the spring is seated properly at the bottom of the magazine.

### 4. Final Checks

- Once installed, check that the spring operates smoothly by cycling the magazine.
- Ensure there are no obstructions or misalignments in the magazine.

## Disposal Instructions

- When disposing of old or damaged magazine springs, follow local regulations regarding the disposal of metal products.
- Consider recycling the springs if facilities are available in your area.

## **Contact Information for Further Support**

For any safety inquiries, product support, or to report unsafe products, please contact the appropriate EU-based authority or your local consumer safety organization.

Thank you for prioritizing safety while using the .22 Universal Magazine Springs. Your compliance with these guidelines helps ensure a safe and enjoyable experience.
