# Safety Instruction Guide for .22 Universal Magazine Springs

## Introduction

Thank you for choosing the .22 Universal Magazine Springs from Brownells. This product is designed to enhance the functionality of your .22 caliber tube magazines. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read this safety instruction guide carefully.

## General Safety Guidelines

- Always handle the magazine springs with care to prevent injury.
- Ensure that the product is suitable for your specific tube magazine before use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the magazine springs for wear and damage before installation.
- Do not use the magazine springs if they show signs of damage or excessive wear.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may lead to malfunctioning of the magazine.
- Using damaged or worn springs can cause misfeeds or jams.
- Improper handling can lead to injury.

### • Avoiding Hazards:

- Always follow the installation instructions provided in this guide.
- Do not modify the springs in any way.
- Ensure that the magazine is unloaded and the firearm is in a safe condition before installation.
- Wear safety glasses when handling or installing the springs to protect your eyes.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have the necessary tools for installation.
- Read through the entire instruction guide before beginning.

### 2. Installation Steps:

- Remove the magazine from the firearm and ensure it is completely unloaded.
- Inspect the magazine for any damage or debris.
- Remove the old spring if replacing it. Dispose of it properly.
- Take the new .22 Universal Magazine Spring and cut it to the appropriate length if necessary.
- Insert the new spring into the magazine tube, ensuring it is seated correctly.
- Reassemble the magazine and ensure it functions smoothly by performing a manual test.

### 3. Usage:

- After installation, load the magazine with .22 caliber ammunition.
- Test the magazine in a safe and controlled environment to ensure proper feeding and functionality.
- Regularly check the magazine springs during use for signs of wear.

## **Disposal Instructions**

- Dispose of any old or damaged magazine springs in accordance with local regulations.
- Do not dispose of springs in regular household waste. Check with local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the .22 Universal Magazine Springs, please refer to the appropriate EUbased contact point or customer service resource.

By following these guidelines, you can ensure the safe and effective use of your .22 Universal Magazine Springs. Thank you for prioritizing safety and compliance.
