# Safety Instruction Guide for Squeeze Bottles

## Brownells Squeeze Bottle Combo

### Introduction

Thank you for choosing the Squeeze Bottles Brownells Squeeze Bottle Combo. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this document carefully before using the squeeze bottles.

### General Safety Guidelines

- Ensure the product is used for its intended purpose only.
- Keep the squeeze bottles out of reach of children and vulnerable individuals.
- Always check the bottles for damage before use. Do not use if damaged.
- Store the bottles in a cool, dry place away from direct sunlight.
- Do not mix different substances in the same bottle unless specified by the manufacturer.
- Dispose of any unused products in accordance with local regulations.

### Specific Safety Precautions for Use

- Use gloves when handling cutting oils and lubricants to protect your skin.
- Avoid contact with eyes; in case of contact, rinse thoroughly with water and seek medical advice.
- Ensure proper ventilation when using products contained in the squeeze bottles.
- Do not ingest any substances contained in the bottles.
- If a substance spills, clean it immediately to avoid slips and falls.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure the bottles are clean and dry before use.
- Fill the bottles with the desired liquid (cold blues, cutting oils, or lubes) through the top opening.

#### 2. Application:

- For a precise application, use the bottom pickup spouts to dispense just a drop.
- If a larger amount is needed, squeeze the bottle firmly to flood the area.

#### 3. Cleaning:

- After use, empty any remaining liquid from the bottles.
- Clean the bottles thoroughly with warm soapy water and rinse well.
- Allow the bottles to air dry completely before storing.

#### 4. Storage:

- Store the bottles upright to prevent leakage.
- Keep the bottles capped when not in use to avoid contamination.

### Disposal Instructions

- Dispose of the squeeze bottles in accordance with local waste management regulations.
- If the bottles are no longer usable, check if they can be recycled.

- Do not dispose of hazardous materials contained in the bottles in regular trash.

## **Contact Information for Further Support**

For any safety inquiries or concerns, please refer to the EU contact point relevant to your region. Always ensure you are following the latest guidelines and safety updates.

By following these safety instructions, you can ensure a safe and effective experience with your Squeeze Bottles Brownells Squeeze Bottle Combo. Thank you for your attention to safety!
