Saves You Time-Gives Customer All The Info

For you or your employees to remember the price and every detail on every gun in the shop is almost an impossible job. A gun sold at the wrong price or a sale lost because a customer's questions went unanswered is money out of your pocket. These Gun Price Tags were designed with the help of gunsmiths like you to stop those problems. They let your customer (and sales people) make "apples-to-apples" comparisons and then select the gun that suits their needs best. There are 11 pre-printed headings for: Stock No.; Serial No.; Brand Name; Model; Bore Diameter; Barrel Length; Action Type; Caliber/Gauge; "Other" info; a blank line; a Retail Price line and a blank space. 3 Different colors give instant identification; lets you create your own color-coded system for new and used, or consignment guns.

Gun Price Tags Safety Instruction Guide

Introduction

Thank you for choosing the Gun Price Tags from Brownells. These tags are designed to help you and your employees effectively manage pricing and details for firearms in your shop. This safety instruction guide is provided to ensure your safe and effective use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe use of the product by following all instructions.
- Keep the tags out of reach of children to prevent any choking hazards.
- Regularly check for any damage to the tags that could affect their use.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about any recalls or safety notices via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not use the tags for any purpose other than pricing firearms.
- Ensure that the reinforced hole is not damaged before use to prevent tearing.
- Avoid exposing the tags to excessive moisture or extreme temperatures, as this may affect their durability.
- Use only the recommended type of tie or string to secure the tags to the firearms.
- If using the tags in a hightraffic area, ensure they are securely attached to avoid accidental detachment.

Instructions for Installation and Usage

1. Preparation:

- Gather the necessary information for each firearm you will be tagging, including stock number, serial number, brand name, model, bore diameter, barrel length, action type, caliber/gauge, and any additional information.

2. Tagging Process:

- Write the required information clearly on the appropriate lines of the tag using a permanent marker to ensure readability.
- Use the preprinted headings to guide your entries.
- Attach the tag to the firearm using a suitable tie or string through the reinforced hole.
- Ensure that the tag is visible and securely fastened to avoid loss.

3. Color Coding:

- Utilize the different colors of tags (manilla, light blue, and yellow) to create a colorcoded system for new, used, or consignment guns. This will help in quick identification and organization.

Disposal Instructions

- Dispose of any damaged or unusable tags in accordance with local waste disposal regulations.
- Do not incinerate the tags, as they may release harmful substances when burned.
- If the tags are made of recyclable materials, check local guidelines for recycling options.

Contact Information for Further Support

For any inquiries or support regarding the Gun Price Tags, please refer to the manufacturer's contact information provided with your product packaging or on their official website.

By following these safety instructions, you can ensure the effective and safe use of Gun Price Tags while complying with EU safety regulations. Thank you for your attention to these safety guidelines.
