

# 100% COTTON TWILL PATCHES - BROWNELLS SQUARE COTTON TWILL PATCHES, 1.5", .30-.35 CAL, 1000 PACK

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Bore Patches](#)

## Aggressive Scrubbing Action & Less Lint

Long fiber cotton and a twill weave create a “hard” finish with plenty of criss-crossed, woven, “teeth” for an aggressive scrubbing action that removes heavy fouling and works great for applying cold blues, too. Lint is virtually eliminated; you can apply oil in action recesses without leaving patch fuzz behind. Sizes are smaller since patches are thicker.

## Attributes

- Name: [BROWNELLS SQUARE COTTON TWILL PATCHES, 1.5", .30-.35 CAL, 1000 PACK](#)
- Manufacturer: [BROWNELLS](#)

# Safety Instruction Guide for 100% Cotton Twill Patches

## Introduction

Thank you for choosing the 100% Cotton Twill Patches from Brownells. These patches are designed for effective cleaning and maintenance of firearms. This guide provides essential safety information to ensure the safe use of this product in compliance with EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always use the patches in accordance with the manufacturer's instructions.
- Ensure that the patches are stored in a cool, dry place away from direct sunlight.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the patches before use. Do not use if they are damaged or compromised.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Avoid using the patches with flammable solvents or chemicals.
- Do not ingest the patches or use them for any purpose other than intended cleaning.
- Ensure that all cleaning is done in a well-ventilated area to avoid inhalation of fumes.
- Use protective gloves if you have sensitive skin or if you are using cleaning agents with the patches.
- Dispose of used patches properly and do not leave them within reach of children or pets.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary cleaning supplies including the cotton twill patches, cleaning solvent, and a cleaning rod or tool.
- Read the instructions provided with your firearm for specific cleaning recommendations.

### 2. Using the Patches:

- Take one patch from the package.
- If using a cleaning solvent, apply it to the patch as per the manufacturer's instructions.
- Attach the patch to your cleaning rod or tool.
- Insert the rod into the firearm's bore gently, ensuring not to force it.
- Use a backandforth motion to scrub the bore with the patch, allowing the "teeth" of the twill to effectively clean the surface.
- Repeat as necessary, using clean patches until no residue is visible.

### 3. PostCleaning:

- After cleaning, ensure that your firearm is properly dried and lubricated as per the manufacturer's recommendations.
- Store any unused patches in their original packaging to maintain cleanliness and prevent contamination.

## **Disposal Instructions**

- Dispose of used patches in accordance with local waste disposal regulations.
- Do not flush patches down the toilet or dispose of them in a manner that could harm the environment.
- Consider recycling options where available.

## **Contact Information for Further Support**

For any questions or concerns regarding the product, please refer to the contact information provided on the packaging or the manufacturer's website.

By following these guidelines, you can ensure a safe and effective cleaning experience with your 100% Cotton Twill Patches. Thank you for prioritizing safety in your firearm maintenance practices.
