

# 100% COTTON TWILL PATCHES - SQUARE COTTON TWILL PATCHES, 2.5", .40-.50 CAL, 1000 PACK

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Bore Patches](#)

## Aggressive Scrubbing Action & Less Lint

Long fiber cotton and a twill weave create a “hard” finish with plenty of criss-crossed, woven, “teeth” for an aggressive scrubbing action that removes heavy fouling and works great for applying cold blues, too. Lint is virtually eliminated; you can apply oil in action recesses without leaving patch fuzz behind. Sizes are smaller since patches are thicker.

## Attributes

- Name: [SQUARE COTTON TWILL PATCHES, 2.5", .40-.50 CAL, 1000 PACK](#)
- Manufacturer: [BROWNELLS](#)

# Safety Instruction Guide for 100% Cotton Twill Patches

## Introduction

Thank you for choosing our 100% Cotton Twill Patches. These patches are designed for effective cleaning and maintenance of firearms. This guide provides essential safety instructions to ensure your safe and effective use of the product, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read the instructions carefully before use.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any product recalls or safety updates via the EU Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Avoid using the patches near open flames or high heat sources.
- Do not ingest the patches or allow them to come into contact with food.
- Ensure that the patches are not used in a manner that could cause injury, such as using them for purposes other than cleaning firearms.
- If any irritation occurs while using the patches, discontinue use immediately and seek medical advice.
- Store the patches in a cool, dry place away from direct sunlight to maintain their effectiveness.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the cotton twill patches.

### 2. Using the Patches:

- Take a patch from the package and attach it to the cleaning rod.
- Apply a suitable firearm cleaning solution to the patch if necessary.
- Insert the cleaning rod into the barrel of the firearm and use a backandforth motion to clean the bore.
- For heavily fouled areas, you may need to use additional patches until the barrel is clean.

### 3. PostCleaning:

- Inspect the patches for any signs of wear or damage before disposal.
- Dispose of used patches in accordance with local waste disposal regulations.

## Disposal Instructions

- Dispose of used cotton twill patches in a manner that complies with local regulations.
- Do not dispose of patches in the recycling bin as they may contaminate recyclable materials.
- For large quantities, consider contacting local waste management for proper disposal methods.

## Contact Information for Further Support

For any inquiries or concerns regarding the product, please refer to the manufacturer's contact details provided on the packaging or the official website.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safe and effective experience with our 100% Cotton Twill Patches.
