

HANDGUN CLEANING BRUSHES, 9MM/.38./357 CALIBER, 3 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Handy On The Bench, Excellent At The Range

Money-saving brush does not require a separate cleaning rod. Nylon bristles work great with bore cleaners that aggressively attack copper fouling and traditional bronze brushes. Brass handles won't scratch the bore. Sell one with every new or used gun.

Handgun Cleaning Brushes Safety Instruction Guide

Introduction

Thank you for choosing the Handgun Cleaning Brushes (9MM/.38/.357 Caliber, 3 Pack) by Brownells. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this guide carefully before using the cleaning brushes.

General Safety Guidelines

- Always follow the manufacturer's instructions for use.
- Keep cleaning brushes out of reach of children and pets.
- Inspect the brushes before use for any signs of damage or wear.
- Do not use the brushes for any purpose other than cleaning firearms.
- Ensure that the firearm is unloaded before cleaning.
- Store the brushes in a safe and dry location after use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use the brushes only with compatible bore cleaners.
- Avoid aggressive scrubbing that could damage the bore.
- Do not use the brushes on firearms that are not specified for the respective calibers.
- Wear protective eyewear when cleaning firearms to prevent injury from debris.
- Handle firearms responsibly and in accordance with local laws.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather all necessary cleaning supplies, including the handgun cleaning brushes and bore cleaner.

2. Using the Cleaning Brushes:

- Select the appropriate brush for the caliber of your firearm (9mm/.38/.357).
- Attach the brush to a cleaning rod if necessary. Note: The brush can be used without a separate cleaning rod.
- Apply bore cleaner to the brush or directly into the bore.
- Insert the brush into the bore and gently scrub back and forth to remove fouling.
- Avoid excessive force to prevent damage to the bore.

3. After Cleaning:

- Remove the brush from the bore and clean it with water or a suitable solvent.
- Store the brushes in a safe location, away from moisture and direct sunlight.

Disposal Instructions

- Dispose of the cleaning brushes in accordance with local waste disposal regulations.
- Do not dispose of the brushes in regular household waste if they are damaged or worn.
- Check local guidelines for proper disposal of cleaning supplies and hazardous materials.

Contact Information for Further Support

For further questions or concerns regarding the safety and usage of the Handgun Cleaning Brushes, please refer to the manufacturer's website or contact their customer service department.

By following this safety instruction guide, you can ensure the safe and effective use of your Handgun Cleaning Brushes. Thank you for prioritizing safety and responsible firearm maintenance.
