

# HANDGUN CLEANING BRUSHES, 9MM/.38./357 CALIBER, 12 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

## Handy On The Bench, Excellent At The Range

Money-saving brush does not require a separate cleaning rod. Nylon bristles work great with bore cleaners that aggressively attack copper fouling and traditional bronze brushes. Brass handles won't scratch the bore. Sell one with every new or used gun.

## Attributes

- Name: [HANDGUN CLEANING BRUSHES, 9MM/.38./357 CALIBER, 12 PACK](#)

# Safety Instruction Guide for Handgun Cleaning Brushes

## Introduction

Thank you for choosing the Handgun Cleaning Brushes, designed for use with 9mm, .38, and .357 caliber firearms. This guide provides important safety information, usage instructions, and disposal guidelines to ensure safe and effective use of the product. Please read this guide carefully before using the brushes.

## General Safety Guidelines

- Ensure all cleaning tools and materials are kept out of reach of children and vulnerable individuals.
- Always verify that your firearm is unloaded before cleaning.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.
- Use the brushes only as intended. Improper use may lead to damage or injury.
- Regularly inspect the brushes for wear or damage. Discard any brushes that show signs of significant wear.
- Store the brushes in a cool, dry place to prevent deterioration.

## Specific Safety Precautions for Use

- Use caution when handling the brushes to avoid injury from sharp edges or bristles.
- Avoid using excessive force when cleaning to prevent damage to the bore of your firearm.
- Do not use the brushes with any cleaning materials that are not recommended for use with firearms.
- Ensure proper ventilation when using bore cleaners and other chemicals to avoid inhalation of fumes.
- Always wear safety glasses and gloves when cleaning firearms to protect against splashes and debris.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the handgun cleaning brushes and bore cleaner.

### 2. Using the Cleaning Brushes:

- Attach the cleaning brush to the cleaning rod if necessary (the brush does not require a separate cleaning rod).
- Apply a small amount of bore cleaner to the brush.
- Insert the brush into the bore of the firearm and gently work it back and forth to remove fouling and debris.
- Use a twisting motion to help dislodge stubborn fouling.
- Repeat the process as needed until the bore is clean.

### 3. Cleaning After Use:

- After cleaning, rinse the brush with water and allow it to dry completely.
- Store the brushes in a safe and dry location.

## Disposal Instructions

- Dispose of any worn or damaged brushes in accordance with local regulations.
- Do not dispose of cleaning chemicals in regular household waste. Follow local guidelines for hazardous

waste disposal.

- Recycle packaging materials where possible.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety or use of the Handgun Cleaning Brushes, please consult your local retailer or manufacturer. Always refer to the EU Safety Gate platform for updates on product recalls and safety information.

By following these guidelines, you can ensure the safe and effective use of your Handgun Cleaning Brushes. Thank you for prioritizing safety and responsible firearm maintenance.
