

# HANDGUN CLEANING BRUSHES, 10MM/.40 CALIBER, 3 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

## Handy On The Bench, Excellent At The Range

Money-saving brush does not require a separate cleaning rod. Nylon bristles work great with bore cleaners that aggressively attack copper fouling and traditional bronze brushes. Brass handles won't scratch the bore. Sell one with every new or used gun.

## Attributes

# Safety Instruction Guide for Handgun Cleaning Brushes

## Introduction

Thank you for choosing the Handgun Cleaning Brushes, designed for effective and safe firearm maintenance. This guide provides essential safety information and instructions to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used solely for its intended purpose: cleaning handgun barrels.
- Always supervise the use of cleaning brushes around children and vulnerable individuals.
- Inspect the brushes before use. Do not use if damaged or worn.
- Store the brushes in a safe, dry place, away from children and pets.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Risk of injury from improper use of cleaning brushes.
- Risk of damage to the firearm if the brush is not used correctly.

### • Instructions to Avoid Hazards:

- Always use the brush with a compatible cleaning rod.
- Do not apply excessive force when cleaning to avoid damaging the bore.
- Use the brush in a wellventilated area to avoid inhaling cleaning solvents.
- Wear safety goggles to protect your eyes from debris and cleaning agents.

### • Agespecific Warnings:

- This product is not suitable for children under 18 years of age. Always supervise minors when handling cleaning equipment.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the cleaning rod and solvent.

### 2. Using the Brush:

- Attach the cleaning brush to the cleaning rod.
- Apply a suitable bore cleaner to the brush.
- Insert the brush into the barrel, applying gentle pressure.
- Rotate the brush as you clean to remove fouling effectively.
- After cleaning, remove the brush and clean the rod before storing.

### 3. PostUse Care:

- Clean the brush with warm, soapy water and rinse thoroughly.
- Allow the brush to dry completely before storing it.
- Store the brushes in a designated cleaning kit or container.

## **Disposal Instructions**

- Dispose of the cleaning brushes responsibly according to local regulations.
- Do not dispose of in regular household waste if they are contaminated with cleaning solvents.
- Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and usage of this product, please refer to the manufacturer or authorized dealer. Ensure that you have the product details available for reference.

Thank you for following these safety guidelines. Your adherence to these instructions will help ensure a safe and effective cleaning experience for your handgun.
