

# HANDGUN CLEANING BRUSHES, 10MM/.40 CALIBER, 12 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

## Handy On The Bench, Excellent At The Range

Money-saving brush does not require a separate cleaning rod. Nylon bristles work great with bore cleaners that aggressively attack copper fouling and traditional bronze brushes. Brass handles won't scratch the bore. Sell one with every new or used gun.

## Attributes

# Safety Instruction Guide for Handgun Cleaning Brushes

## Introduction

Thank you for choosing the Handgun Cleaning Brushes. This product is designed to assist in the cleaning and maintenance of your handgun, ensuring optimal performance and longevity. It is crucial to follow the safety instructions outlined in this guide to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read and understand all safety instructions before using the product.
- Use the cleaning brushes only for their intended purpose: cleaning handguns.
- Keep the brushes out of reach of children and vulnerable individuals.
- Inspect the brushes for any damage or wear before each use. Do not use if damaged.
- Store brushes in a safe place after use to prevent accidents or misuse.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the handgun is unloaded before cleaning.
- Do not use excessive force when cleaning to avoid damaging the bore.
- Avoid using the brushes on firearms that are not designed for their specific caliber.
- Do not leave cleaning brushes unattended while in use.
- Wear safety glasses to protect your eyes from potential debris or cleaning agents.
- Use in a wellventilated area to avoid inhaling any fumes from cleaning agents.

## Instructions for Installation and Usage

### 1. Preparation:

- Make sure the handgun is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the handgun cleaning brushes.

### 2. Using the Cleaning Brush:

- Select the appropriate brush size for your handgun caliber (10mm/.40 caliber).
- Attach the cleaning brush to the cleaning rod if required. Note that this brush is designed to be used without a separate cleaning rod.
- Apply a bore cleaner to the bristles of the brush.
- Insert the brush into the bore and gently scrub in a backandforth motion.
- Remove the brush and clean any remaining debris with a dry cloth.

### 3. After Use:

- Clean the brushes with warm water and mild soap if necessary.
- Allow the brushes to dry completely before storing them.
- Store the brushes in a safe and dry place.

## **Disposal Instructions**

- Dispose of any damaged or worn brushes in accordance with local regulations.
- Do not dispose of cleaning brushes in regular household waste if they contain hazardous materials.
- Check with your local waste management services for proper disposal methods for cleaning supplies.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of this product, please refer to the contact information provided by the manufacturer or retailer.
