

HANDGUN CLEANING BRUSHES - BROWNEllS HANDGUN CLEANING BRUSHES, .45 CALIBER, 12 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Handy On The Bench, Excellent At The Range

Money-saving brush does not require a separate cleaning rod. Nylon bristles work great with bore cleaners that aggressively attack copper fouling and traditional bronze brushes. Brass handles won't scratch the bore. Sell one with every new or used gun.

Safety Instruction Guide for Brownells .45 Caliber Handgun Cleaning Brushes

Introduction

Thank you for choosing the Brownells .45 Caliber Handgun Cleaning Brushes. This guide provides essential safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the cleaning brushes are used only for their intended purpose of cleaning firearms.
- Keep the brushes out of reach of children and vulnerable individuals to prevent accidental injury.
- Always use the brushes in a wellventilated area to avoid inhaling any cleaning agents.
- Inspect brushes before use for any signs of wear or damage. Do not use damaged brushes.
- Follow all local laws and regulations regarding the cleaning and maintenance of firearms.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before using the cleaning brushes.
- Wear appropriate personal protective equipment (PPE), such as gloves and safety goggles, when handling cleaning agents.
- Avoid using excessive force when cleaning to prevent bristle damage and ensure effective cleaning.
- Do not mix different cleaning agents unless specifically instructed by the manufacturer.
- Dispose of any cleaning materials according to local regulations to minimize environmental impact.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials, including the cleaning brushes, cleaning rod (if applicable), and cleaning agents.
- Ensure your workspace is clean and free from clutter.

2. Using the Cleaning Brushes:

- Select the appropriate brush for the caliber of your firearm. For the .45 caliber, use the .45 brush.
- Attach the cleaning brush to the cleaning rod if required.
- Insert the cleaning brush into the bore of the firearm, ensuring it is properly aligned.
- Gently push and pull the brush through the bore to remove fouling and debris. Repeat as necessary.

3. PostCleaning:

- After cleaning, inspect the brush for any wear or damage.
- Clean the brush with a suitable solvent and allow it to dry completely before storage.
- Store the brushes in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of any used cleaning agents and materials according to local environmental regulations.
- Do not dispose of cleaning brushes in regular household waste. Check for local recycling options or hazardous waste disposal guidelines.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the Brownells .45 Caliber Handgun Cleaning Brushes, please reach out to your local retailer or manufacturer.

By following these guidelines, you can ensure the safe and effective use of your Brownells cleaning brushes. Thank you for prioritizing safety in your firearm maintenance.
