# Safety Instruction Guide for POLY BAGS POLY BAG, 5'S 5" X 8", 25 PACK

## Introduction

Thank you for choosing the POLY BAGS POLY BAG, 5'S 5" X 8", 25 PACK. To ensure your safety and the proper use of this product, please read and follow these safety instructions carefully. This guide is designed to provide you with essential information regarding the safe handling, usage, and disposal of the poly bags.

## General Safety Guidelines

- Always inspect the poly bags before use. Do not use if damaged or torn.
- Keep the poly bags away from children and pets. They may pose a suffocation hazard.
- Store the bags in a cool, dry place away from direct sunlight to prevent degradation.
- Do not use the bags for food storage or any foodrelated applications, as they are not designed for this purpose.
- Use the bags only for their intended purpose, such as carrying nonfood items or small parts.

## Specific Safety Precautions for Use

- Ensure that the bag is securely closed before carrying to prevent contents from spilling.
- Avoid overloading the bags, as this may lead to tearing or breakage.
- When using the bags for transporting items with sharp edges or points, exercise caution to prevent punctures.
- Do not use the bags in hightemperature environments, as they may melt or deform.
- If using the bags for storage, ensure that they are not exposed to chemicals or solvents that may cause damage.

## Instructions for Installation and Usage

- **Opening the Bag:** Gently pull apart the opening of the bag to access the inside. Do not use sharp objects to open the bag.
- **Filling the Bag:** Place the items inside the bag without exceeding the recommended weight limit. Ensure that the contents are not sharp or heavy enough to puncture the bag.
- **Sealing the Bag:** Once filled, seal the bag securely by pressing the closure together. Ensure that there are no gaps that could allow items to fall out.
- **Transporting the Bag:** Hold the bag by its sides or bottom to avoid putting stress on the closure. Carry it with care to prevent dropping or tearing.
- **Storing the Bag:** When not in use, store the bags flat or in a designated area to avoid crushing or damaging them.

## Disposal Instructions

- Dispose of the poly bags in accordance with local waste disposal regulations.
- Do not incinerate the bags, as burning may release harmful fumes.
- If recycling options are available, ensure that the bags are clean and free from contaminants before recycling.
- If the bags are no longer usable, consider repurposing them for noncritical applications before disposal.

## Contact Information for Further Support

For any questions or concerns regarding the product, please refer to the manufacturer's contact details provided on the packaging or visit their official website.

By following these safety instructions, you can ensure the safe and effective use of the POLY BAGS POLY BAG, 5'S 5" X 8", 25 PACK. Thank you for your attention to these important guidelines.
