# Safety Instruction Guide for SQUARE 100% COTTON FLANNEL CLEANING PATCHES

## Introduction

Thank you for choosing Brownells SQUARE 100% COTTON FLANNEL CLEANING PATCHES. This guide provides important safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the cleaning patches.

## General Safety Guidelines

- Ensure that the cleaning patches are stored out of reach of children and pets to prevent accidental ingestion or misuse.
- Use the cleaning patches only for their intended purpose, which is cleaning firearms.
- Inspect the patches before use. Do not use if they show signs of damage or contamination.
- Always follow the manufacturer's instructions when using cleaning solvents or lubricants in conjunction with the patches.
- Be aware of your surroundings when using the cleaning patches, especially in areas where firearms are present.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Keep the cleaning patches in their resealable bag when not in use to maintain cleanliness and prevent contamination.
- Avoid using the patches near open flames or high heat sources, as they are made of flammable materials.
- Do not use the cleaning patches if you have allergies to cotton or related materials.
- Ensure that you are in a wellventilated area when using cleaning solvents with the patches to avoid inhalation of fumes.
- Dispose of used patches responsibly, following local regulations for textile waste.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary cleaning supplies, including the cleaning patches, cleaning solvent, and any tools required for your firearm.
- Ensure that your firearm is unloaded and pointed in a safe direction before beginning the cleaning process.

### 2. Using the Cleaning Patches:

- Select the appropriate size of cleaning patch for your firearm caliber (17 Caliber).
- If using a cleaning solvent, apply a small amount to the patch.
- Insert the patch into the cleaning rod or jag, ensuring it is securely attached.
- Insert the cleaning rod into the firearm's bore and gently pull it through to clean the interior surfaces.
- Repeat as necessary until the bore is clean, using fresh patches as needed.

### 3. PostUse:

- Dispose of used patches in accordance with local waste disposal regulations.

- Clean your cleaning tools and store them properly for future use.

## **Disposal Instructions**

- Dispose of used cleaning patches in a manner that complies with local regulations.
- Do not incinerate the patches, as they may release harmful substances when burned.
- If the patches are contaminated with cleaning solvents, follow local hazardous waste disposal guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of this product, please refer to the manufacturer's website or contact their customer service department.

Thank you for your attention to these safety instructions. Your safety and the effective use of the Brownells SQUARE 100% COTTON FLANNEL CLEANING PATCHES are our top priorities.
