SQUARE 100% COTTON FLANNEL CLEANING PATCHES SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the SQUARE 100% COTTON FLANNEL CLEANING PATCHES by BROWNELLS. These highquality cleaning patches are designed for safe and effective use with various calibers. This safety instruction guide provides essential information to ensure the safe use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is cleaning firearms.
- Keep the cleaning patches out of reach of children and pets to prevent accidental ingestion or misuse.
- Inspect the patches before use. Do not use if the packaging is damaged or if the patches appear to be defective.
- Store the patches in a cool, dry place away from direct sunlight to maintain their quality.
- Avoid using the patches with any flammable or hazardous materials.

Specific Safety Precautions for Use

- When cleaning firearms, always ensure that the firearm is unloaded and pointed in a safe direction.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, especially when using cleaning solvents.
- Do not leave cleaning patches unattended while in use.
- Dispose of used cleaning patches responsibly, following local regulations for hazardous waste if solvents or chemicals were used.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary items, including your firearm, cleaning solvent, and the cleaning patches.
- Ensure the firearm is unloaded and safe to handle.

2. Using the Cleaning Patches:

- Take a cleaning patch from the resealable bag.
- If using a cleaning solvent, apply a small amount directly to the cleaning patch.
- Insert the patch into the cleaning rod or jag.
- Insert the cleaning rod into the firearm's bore and pull it through to clean the barrel.
- Repeat as necessary until the barrel is clean.

3. After Cleaning:

- Dispose of used cleaning patches in accordance with local waste disposal regulations.
- Clean the cleaning rod and any other tools used during the cleaning process.
- Store unused patches in their resealable bag to protect them from dirt and moisture.

Disposal Instructions

- Dispose of used cleaning patches in accordance with local regulations.
- If the patches have been used with cleaning solvents, check local guidelines for hazardous waste

disposal.

- Do not dispose of cleaning patches in regular household waste if they are contaminated with chemicals.

Contact Information for Further Support

For any questions or concerns regarding the safety of this product or its usage, please contact the manufacturer or refer to the product packaging for additional support information.

By following the guidelines and instructions provided in this safety instruction guide, you can ensure a safe and effective cleaning experience with the SQUARE 100% COTTON FLANNEL CLEANING PATCHES. Thank you for prioritizing safety in your activities.
