SQUARE 100% COTTON FLANNEL CLEANING PATCHES SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the SQUARE 100% COTTON FLANNEL CLEANING PATCHES by BROWNELLS. These highquality cleaning patches are designed for safe and effective use in maintaining your firearms. Please read this safety instruction guide carefully to ensure proper use and care for your product.

General Safety Guidelines

- Always use the cleaning patches as intended and follow the manufacturer's instructions.
- Keep the cleaning patches out of reach of children and vulnerable individuals.
- Inspect the patches before use. Do not use if they are damaged or show signs of wear.
- Store the cleaning patches in a cool, dry place, away from direct sunlight and moisture.
- If you experience any adverse reactions while using the product, discontinue use immediately and seek medical attention if necessary.

Specific Safety Precautions for Use

- Ensure that your firearm is unloaded and pointed in a safe direction before using the cleaning patches.
- Use the appropriate size of cleaning patches for your firearm's caliber to avoid any obstruction in the barrel.
- Do not use the cleaning patches with flammable solvents or chemicals. Always follow the safety guidelines for any cleaning agents you may use.
- Avoid using the cleaning patches on hot surfaces. Allow your firearm to cool down before cleaning.
- Dispose of used cleaning patches properly. Do not leave them in areas where they could pose a hazard.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and in a safe position.
- Gather your cleaning supplies, including a cleaning rod, solvent, and the appropriate size of cotton patches.

2. Using the Cleaning Patches:

- Take one cleaning patch from the resealable bag.
- If using solvent, apply a small amount to the patch, ensuring it is damp but not soaking wet.
- Insert the cleaning patch onto the cleaning rod.
- Gently insert the cleaning rod into the firearm's chamber and push it through the barrel.
- Make sure to pull the cleaning patch all the way through the barrel to ensure thorough cleaning.

3. PostCleaning:

- After cleaning, inspect the barrel to ensure no patches or debris remain.
- Store the unused patches back in their resealable bag to keep them clean and dry.

Disposal Instructions

- Dispose of used cleaning patches in accordance with local waste disposal regulations.
- Do not flush cleaning patches down the toilet or dispose of them in waterways.

- If you have a large quantity of used patches, consider contacting your local waste management service for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the SQUARE 100% COTTON FLANNEL CLEANING PATCHES, please refer to the manufacturer's contact information provided on the packaging or visit the manufacturer's website for additional support.

By following these guidelines, you can ensure the safe and effective use of your cleaning patches while complying with the EU General Product Safety Regulation (GPSR). Thank you for prioritizing safety in your firearm maintenance practices.
