

# DOUBLE STUB CLAIM CHECKS - BROWNELLS DOUBLE-STUB CLAIM CHECKS, 100 PACK

[Gunsmith Tools](#) > [Shop Accessories & Supplies](#) > [Claim Checks](#)

## For Those Who Do Work For Other Shops

Especially for shops that do custom work, repairs or rebluing for stores or other gunsmiths. Has two identically numbered tear-off stubs. One goes to the customer, the store fills out the repair tag, and the other goes to the store when you pick up the gun. Gives complete stub/number control of that gun until it is delivered back to the customer. Eliminates mix-ups and confusion, improper claiming by the store or his customer. Spaces to record the same information as our CC-1 claim checks but shorter in length to save space.

# DOUBLE STUB CLAIM CHECKS Safety Instruction Guide

## Introduction

Thank you for choosing the Brownells Double Stub Claim Checks. This product is designed to facilitate the tracking and management of firearms during repair, custom work, or rebluing processes. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Ensure the claim checks are used only for their intended purpose.
- Always keep the claim checks away from children to prevent misuse.
- Regularly inspect the claim checks for any signs of wear or damage.
- Report any unsafe conditions or incidents related to the product to the appropriate authorities.
- Stay informed about recalls or safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the claim checks in a welllit area to avoid mistakes when filling them out.
- Ensure that all information is clearly written and legible to prevent confusion.
- Keep the claim checks dry and free from moisture to maintain their integrity.
- Do not use the claim checks if they are damaged or torn.

## Instructions for Installation and Usage

### 1. Filling Out the Claim Check:

- Write the customer's name and contact information clearly on the designated section.
- Fill in the details of the repair or service being provided.
- Assign a unique identification number to each claim check for tracking purposes.

### 2. Tearoff Stubs:

- Tear off the first stub and provide it to the customer. This stub serves as their receipt.
- Retain the second stub for your records until the item is returned to the customer.

### 3. Tracking and Management:

- Keep a log of all claim checks issued, including customer details and identification numbers.
- Ensure that both stubs have matching numbers to avoid mixups.

### 4. After Service:

- Upon returning the item to the customer, ensure they present the corresponding stub for verification.
- Dispose of any unused or expired claim checks securely to prevent unauthorized use.

## Disposal Instructions

- Dispose of any unused claim checks in accordance with local waste disposal regulations.
- If the claim checks are damaged or no longer needed, shred them to protect any sensitive information.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of the Double Stub Claim Checks, please refer to the manufacturer's contact information provided on the packaging or your purchase receipt.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation while using the Brownells Double Stub Claim Checks. Your adherence to these guidelines helps ensure a safe and efficient experience for you and your customers.
