GUNSMITH CLEANING PADS Safety Instruction Guide

Introduction

Thank you for choosing the GUNSMITH CLEANING PADS. These cleaning pads are designed for various cleaning tasks in your workshop. This guide provides essential safety instructions to ensure the safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read the product label and instructions before use.
- Keep the cleaning pads out of reach of children and pets.
- Use the pads only for their intended purpose.
- Inspect the pads for any damage before use; do not use if damaged.
- Store the cleaning pads in a cool, dry place away from direct sunlight.

Specific Safety Precautions for Use

- Avoid using the cleaning pads with strong acids or flammable substances.
- Do not use the pads on surfaces that can be easily scratched or damaged.
- Ensure proper ventilation when using cleaners or solvents with the pads.
- Dispose of used cleaning pads responsibly, following local regulations.
- If any irritation occurs while using the pads, discontinue use immediately and seek medical advice.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary cleaning supplies and ensure the area is wellventilated.
- Remove a cleaning pad from the bag.

2. Usage:

- For "wipeon" jobs: Apply the cleaning solution directly to the pad or the surface. Wipe the area gently.
- For "wipeoff" jobs: Use the pad to remove excess solution or dirt from the surface.
- Use a clean pad for different tasks to avoid crosscontamination.

3. PostUse:

- Dispose of used pads in accordance with local disposal regulations.
- Wash your hands after handling used cleaning pads.

Disposal Instructions

- Used cleaning pads should not be disposed of in regular household waste.
- Follow local guidelines for the disposal of nonhazardous waste.
- If the pads are contaminated with hazardous materials, consult local waste management authorities for proper disposal methods.
