

# REPAIR LOG BOOKS - BROWNELLS REPAIR LOG INVOICE FORMS, 3-PART, 100 PACK

[Gunsmith Tools](#) > [Shop Accessories & Supplies](#) > [Repair Log Books](#)

Two choices of gunsmith-designed forms for recording incoming repairs and tracking them through the billing process. Both styles have plenty of room to note requested repairs, work performed, and special notes by the gunsmith. Also includes space for gun and owner info and check-off blocks for items left with the gun (sling, lens covers, scope, etc.). Modern impression paper makes a duplicate copy without the mess of carbon paper. Plenty of room at the top to print or stamp your store or shop logo. 3-PART FORM - All-in-one, 3-part form includes has one copy for your customer, one for your bookkeeper, and one to stay with the gun. Each form is consecutively numbered for easy job tracking. Compact 5½" x 9⅛" size, and punched to fit a 2-ring clipboard with standard 2¾" hole spacing.

# Safety Instruction Guide for Brownells Repair Log Books

## Introduction

Thank you for choosing the Brownells Repair Log Books, a reliable tool designed for gunsmiths to efficiently track repairs and manage customer information. This guide provides essential safety instructions and guidelines to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle the log books with clean hands to prevent contamination.
- Store the log books in a dry, cool place away from direct sunlight to maintain their quality.
- Ensure that the log books are kept out of reach of children to prevent misuse or accidental damage.
- Regularly check for any signs of wear or damage to the log books before use.
- Report any unsafe conditions or accidents to the appropriate authorities immediately.

## Specific Safety Precautions for Use

- Do not use the log books for purposes other than intended (recording repairs and invoices).
- Avoid using any writing instruments that may bleed through the pages, as this can cause information loss.
- Ensure that all information recorded is legible to avoid misunderstandings with customers.
- Use only the recommended tools for writing in the log books to prevent damage to the pages.
- If using stamps or stickers, ensure they do not obstruct important information.

## Instructions for Installation and Usage

### 1. Preparation for Use

- Open the package and check that you have the complete set of log books.
- Familiarize yourself with the layout of the log books, including sections for customer and firearm information.

### 2. Filling Out the Log Book

- Use a pen or permanent marker to write clearly in the designated spaces.
- Fill in the customer's information, firearm details, requested repairs, and any special notes.
- Ensure that you complete all necessary sections for accurate recordkeeping.

### 3. Tracking Repairs

- Use the consecutive numbering system to easily track jobs.
- Keep one copy of the log book for your records, provide one to the customer, and retain one with the firearm.

### 4. Storage and Maintenance

- Store completed log books in a safe location to protect sensitive customer information.
- Periodically review stored log books to ensure they are organized and accessible.

## **Disposal Instructions**

- When disposing of old or unused log books, ensure that all personal information is securely destroyed to protect customer privacy.
- Recycle the log books if possible, following local recycling guidelines for paper products.

## **Contact Information for Further Support**

For any inquiries regarding the use of the Brownells Repair Log Books, please refer to your retailer or the manufacturer's website for assistance.
