# HAND CARDING BRUSH SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the HAND CARDING BRUSH. This product is designed to help you effectively remove light rust from various surfaces without scratching. To ensure your safety and the best performance of the brush, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always use the HAND CARDING BRUSH in accordance with the instructions provided in this manual.
- Keep the brush out of reach of children and vulnerable individuals to prevent accidental injury.
- Inspect the brush before each use to ensure it is in good condition. Do not use the brush if it is damaged.
- Be aware of your surroundings while using the brush to avoid accidents.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using the brush.
- Avoid using the brush on delicate surfaces that may scratch easily.
- Do not use the brush for purposes other than those specified in this manual.
- Use the brush in a wellventilated area to avoid inhaling any dust or debris generated during use.
- If you experience any discomfort or irritation while using the brush, stop using it immediately and seek medical advice if necessary.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the surface to be cleaned is free from loose debris or large particles.
- If necessary, test the brush on a small, inconspicuous area to ensure compatibility with the surface.

### 2. Using the Brush:

- Hold the brush by the curved hardwood handle for a comfortable grip.
- Apply light pressure while brushing to remove rust without scratching the surface.
- For best results, use a gentle backandforth motion.
- If rust persists, repeat the process as needed, applying consistent but gentle pressure.

### 3. PostUse Care:

- Clean the brush after use to remove any rust or debris.
- Store the brush in a dry place, away from moisture, to prevent damage to the bristles.

## Disposal Instructions

- Dispose of the HAND CARDING BRUSH responsibly.
- If the brush is no longer usable, check local regulations for proper disposal methods.
- Do not dispose of the brush in regular household waste if it contains hazardous materials.
