INSTA GRIP MEDIUM TAPE Safety Instructions

Introduction

Thank you for choosing the INSTA GRIP MEDIUM TAPE. This product is designed to enhance grip on various firearm components, providing you with improved control and safety during use. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always ensure that the surface you are applying the tape to is clean and dry to prevent peeling or slipping.
- Keep the product out of reach of children to avoid accidental misuse.
- Do not use the tape on surfaces that may be exposed to extreme temperatures or moisture, as this may affect adhesion.
- If you experience skin irritation or allergic reactions after contact with the tape, discontinue use immediately and consult a medical professional.
- Regularly inspect the tape for wear and tear, and replace it as necessary to maintain optimal grip and safety.

Specific Safety Precautions for Use

- Ensure that the tape is applied securely to prevent it from coming loose during use.
- Avoid applying the tape over sharp edges or protrusions that may cause injury.
- Do not use the tape for purposes other than those specified. This product is intended for use on handgun grips, bull barrels, rifle or shotgun stock forearms, and butt plates only.
- If using the tape on firearms, ensure that the firearm is unloaded and safe before application.
- Be cautious when handling firearms, even when using gripenhancing products. Always follow standard firearm safety protocols.

Instructions for Installation and Usage

1. Preparation:

- Clean the surface where the tape will be applied using a mild cleaner or rubbing alcohol. Ensure the area is free from dirt, oil, and moisture.
- Allow the surface to dry completely before proceeding.

2. Cutting the Tape:

- Measure and cut the desired length of the tape using scissors. For best results, cut the tape to fit the specific area you wish to enhance grip on.

3. Peeling and Sticking:

- Carefully peel the backing off the tape, exposing the adhesive side.
- Align the tape with the intended surface and press down firmly to secure it in place. Smooth out any bubbles or wrinkles to ensure full contact.

4. Final Checks:

- After application, check that the tape is securely adhered to the surface.
- Allow the tape to set for a few hours before using the firearm to ensure maximum adhesion.

Disposal Instructions

- Dispose of any unused or expired tape in accordance with local waste disposal regulations.
- Do not incinerate the tape, as it may release harmful fumes.
- If the tape is damaged or no longer needed, wrap it in a plastic bag before disposing of it to prevent accidental contact.

Contact Information for Further Support

For any inquiries regarding the safety and use of the INSTA GRIP MEDIUM TAPE, please refer to the manufacturer's contact information provided on the packaging or visit the manufacturer's website for further assistance.

By following these safety instructions, you can ensure a safe and effective experience with the INSTA GRIP MEDIUM TAPE. Remember to stay informed about product recalls and safety updates through the EU's Safety Gate platform. Your safety is our priority.
