SQUARETOHEX 1/4" Drive Converter Safety Instructions

Introduction

Thank you for choosing the SQUARETOHEX 1/4" Drive Converter (Model ZM23). This product is designed to enhance your toolset by allowing you to use MagnaBit Allen head bits with 1/4" Drive Torque handles or Variable Torque Wrenches. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that all tools and accessories are used in accordance with the manufacturer's instructions.
- Always inspect the SQUARETOHEX Converter before each use for any signs of damage or wear.
- Keep the converter and its components out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as described in this guide.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Magnetic Insert Caution:** The magnetic insert is designed to securely hold 1/4" hex drive bits. Keep away from electronic devices and credit cards to avoid damage.
- **Snap Ring Safety:** Ensure the snap ring is properly engaged before use to prevent bits from falling out during operation.
- **Torque Settings:** Always adhere to the recommended torque settings for the specific application to avoid damage to the screws or components.
- **Personal Protective Equipment (PPE):** Wear appropriate PPE such as safety glasses and gloves while using the tool to protect against potential injuries.

Instructions for Installation and Usage

1. Installation:

- Select the MagnaBit Allen head bit you wish to use.
- Align the bit with the magnetic insert of the SQUARETOHEX Converter.
- Press firmly until the bit is securely held in place by the magnetic insert and snap ring.

2. Usage:

- Attach the SQUARETOHEX Converter to your 1/4" Drive Torque handle or Variable Torque Wrench.
- Ensure the connection is secure before applying any torque.
- Use the tool to torque rifle trigger guard screws as needed, following the recommended torque specifications.

3. PostUse Care:

- After use, remove the bit from the converter and clean any debris or residue.
- Store the SQUARETOHEX Converter in a dry place, away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the SQUARETOHEX Converter in accordance with local regulations regarding metal waste.
- Do not dispose of the product in regular household waste. Check for recycling options in your area.

Contact Information for Further Support

For any inquiries or concerns regarding safety, usage, or product performance, please refer to the manufacturer's contact details provided with the product packaging. Ensure you have the model number (ZM23) and any relevant information available for assistance.

By following these guidelines, you can ensure the safe and effective use of the SQUARETOHEX 1/4" Drive Converter. Thank you for your attention to safety and for choosing our product.
