# Safety Instruction Guide for CLEANING ROD, SMALL ARMS

## Introduction

Thank you for choosing the CLEANING ROD, SMALL ARMS. This guide provides essential safety instructions and usage information to ensure the safe and effective use of your cleaning rod. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the cleaning rod is used only for its intended purpose, which is cleaning firearms.
- Keep the cleaning rod out of reach of children and vulnerable individuals.
- Inspect the cleaning rod before each use for any signs of damage or wear. Do not use if damaged.
- Always follow the firearm manufacturer's instructions when cleaning your firearm.
- Avoid using excessive force when cleaning, as this may damage the cleaning rod or firearm.
- Store the cleaning rod in a safe, dry place when not in use.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before cleaning.
- Use the cleaning rod in a wellventilated area to avoid inhaling any cleaning solvents or residues.
- Wear appropriate personal protective equipment (PPE), such as gloves and safety glasses, when using cleaning solvents.
- Do not use the cleaning rod for any purpose other than cleaning firearms.
- Be cautious of sharp edges or points on the cleaning rod and associated tools.
- Avoid exposing the cleaning rod to extreme temperatures or moisture to prevent rust and deterioration.

## Instructions for Installation and Usage

### 1. Assemble the Cleaning Rod

- Remove the cleaning rod sections from the packaging.
- Connect the sections by screwing them together until secure.
- Ensure the rod is fully assembled before use.

### 2. Attach the Jag

- Select the appropriate jag for your firearm caliber.
- Screw the jag onto the end of the cleaning rod until secure.

### 3. Cleaning Procedure

- Ensure the firearm is unloaded and pointed in a safe direction.
- Insert the cleaning rod into the barrel from the chamber end.
- Gently push the rod through the barrel, applying cleaning solvent as needed.
- Pull the rod back through the barrel to remove fouling and debris.
- Repeat as necessary until the barrel is clean.

### 4. Disassemble After Use

- Remove the jag from the cleaning rod.
- Unscrew the sections of the cleaning rod and store them separately.

- Clean the rod with a dry cloth to remove any cleaning solvent residue.

## Disposal Instructions

- Dispose of any cleaning solvents and materials according to local regulations.
- Do not dispose of the cleaning rod in household waste. Check with local recycling programs for proper disposal methods.
- If the cleaning rod is damaged beyond repair, dispose of it in accordance with local hazardous waste guidelines.

## Contact Information for Further Support

For any safety inquiries or product support, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety and the safe use of your cleaning rod are our top priorities. Enjoy your cleaning experience!
