Safety Instruction Guide for AR15/M16/308 AR Nylon Chamber Brush

Introduction

Thank you for choosing the AR15/M16/308 AR Nylon Chamber Brush by Brownells. This product is designed to help you maintain your firearm by effectively cleaning the chamber. To ensure safe and effective use, please read and follow the safety instructions provided in this guide.

General Safety Guidelines

- Always ensure the firearm is unloaded before cleaning.
- Keep the brush out of reach of children and vulnerable individuals.
- Use the brush only for its intended purpose: cleaning the chamber of AR15, M16, and AR10 rifles.
- Inspect the brush for any damage before use. Do not use if damaged.
- Follow all local laws and regulations regarding firearm maintenance and safety.

Specific Safety Precautions for Use

- Avoid using excessive force when scrubbing to prevent damage to the chamber.
- Do not use the brush on hot surfaces or immediately after firing the firearm.
- Ensure that the brush is securely attached to the cleaning rod before use.
- Wear protective eyewear when cleaning firearms to protect against debris.
- Be aware of your surroundings and ensure that no one is within the vicinity when using the brush.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather your cleaning supplies, including the AR15/M16/308 AR Nylon Chamber Brush and a compatible cleaning rod.

2. Installation

- For M16 rifles, thread the brush onto the 836 military thread of the cleaning rod.
- For AR15 rifles, use the 832 standard thread to attach the brush to the cleaning rod.
- For AR10 rifles, also use the 832 standard thread to secure the brush.

3. Usage

- Insert the brush into the chamber and gently scrub in a circular motion.
- Allow the nylon bristles to reach and clean the locking lug recess.
- After scrubbing, remove the brush and inspect the chamber for cleanliness.
- Repeat the process if necessary until the chamber is clean.

4. PostUse Care

- Clean the brush with warm soapy water and let it dry completely before storage.
- Store the brush in a safe place, away from children and unauthorized users.

Disposal Instructions

- Dispose of the brush responsibly. If it is damaged or no longer usable, consider recycling it if possible.
- Follow local regulations for disposal of cleaning supplies and tools.
