Safety Instruction Guide for the AR15/M16/308 AR Nylon Chamber Brush

Introduction

Thank you for choosing the AR15/M16/308 AR Nylon Chamber Brush by Brownells. This product is designed for effective cleaning of your firearm's chamber. To ensure safe use and optimal performance, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle firearms safely and responsibly.
- Ensure that the firearm is unloaded before using the chamber brush.
- Keep the chamber brush out of reach of children and unauthorized users.
- Use the chamber brush only for its intended purpose: cleaning the chamber of M16, AR15, and AR10 rifles.
- Regularly inspect the chamber brush for wear or damage before each use.
- If any part of the chamber brush is damaged, discontinue use immediately.

Specific Safety Precautions for Use

- Do not use the chamber brush on a hot or recently fired firearm.
- Avoid using excessive force when cleaning; allow the brush to do the work.
- Always wear safety glasses to protect your eyes from debris during cleaning.
- Ensure that the area is wellventilated when using cleaning products in conjunction with the chamber brush.
- Avoid contact with the bristles of the brush while it is in use to prevent injury.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the chamber brush.

2. Installation:

- For M16 rifles, attach the chamber brush using the 836 military thread to the cleaning rod.
- For AR15 rifles, use the 832 standard thread to connect the chamber brush to the cleaning rod.
- For AR10 rifles, also use the 832 standard thread.

3. Cleaning Process:

- Insert the brush into the chamber and gently rotate it while applying light pressure.
- Move the brush back and forth to ensure that all areas, including the locking lug recess, are thoroughly cleaned.
- After cleaning, remove the brush and inspect the chamber for any remaining debris.

4. PostCleaning:

- Clean the chamber brush with warm, soapy water and allow it to dry completely before storing.
- Store the chamber brush in a safe, dry place away from children and pets.

Disposal Instructions

- Dispose of the chamber brush responsibly if it is damaged or no longer usable.
- Follow local regulations for the disposal of cleaning supplies and materials.

Contact Information for Further Support

For any safety inquiries or additional information regarding the use of this product, please refer to the manufacturer's contact details on the packaging or product insert.

Thank you for your attention to these safety instructions. Your commitment to safe handling and cleaning practices ensures not only your safety but also the longevity of your firearm.
