Safety Instruction Guide for AR15/M16/308 AR Nylon Chamber Brush

Introduction

Thank you for choosing the AR15/M16/308 AR Nylon Chamber Brush manufactured by Brownells. This product is designed to help you maintain the cleanliness and functionality of your firearms. It is crucial to understand how to use this product safely to ensure your protection and the proper care of your equipment.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure you are using the product in a safe environment, free from distractions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before each use. Do not use if damaged.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay updated on recall information by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the nylon chamber brush only for its intended purpose—cleaning the chamber of firearms.
- Do not use the brush on hot surfaces or immediately after firing a firearm.
- Always ensure that the firearm is unloaded before using the chamber brush.
- Avoid using excessive force when scrubbing to prevent damage to the firearm.
- Do not use the brush if you are unfamiliar with firearm maintenance. Seek assistance if needed.
- Wear safety glasses to protect your eyes from debris during cleaning.

Instructions for Installation and Usage

Installation

1. **Choose the Correct Brush:** Select the appropriate nylon chamber brush for your firearm model (M16, AR15, or AR10).
2. **Attach to Cleaning Rod:**
 - For M16: Use the 836 thread to attach to the military cleaning rod.
 - For AR15: Use the 832 standard thread to attach to your cleaning rod.
 - For AR10: Use the 832 standard thread to attach to your cleaning rod.

Usage

1. **Prepare Your Workspace:** Ensure your workspace is clean and welllit.
2. **Check Firearm:** Confirm that the firearm is unloaded and pointed in a safe direction.
3. **Insert the Brush:** Carefully insert the nylon chamber brush into the chamber of the firearm.
4. **Scrubbing:**
 - Gently scrub the chamber using a backandforth motion.
 - Allow the nylon bristles to reach and clean the locking lug recess.
5. **Remove the Brush:** After scrubbing, carefully remove the brush from the chamber.
6. **Inspect:** Check the chamber for cleanliness and ensure no debris remains.

Disposal Instructions

- Dispose of the nylon chamber brush responsibly according to local regulations.
- Do not dispose of the brush in regular household waste if it is damaged or no longer usable.

- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the AR15/M16/308 AR Nylon Chamber Brush, please reach out to your local retailer or the manufacturer directly. Ensure you have your product details available for a more efficient response.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your AR15/M16/308 AR Nylon Chamber Brush. Thank you for prioritizing safety and maintenance in your firearm care.
