# M14/M1A/M1 Ratchet Chamber Brush Safety Instructions

## Introduction

Thank you for choosing the M14/M1A/M1 Ratchet Chamber Brush. This product is designed to provide effective cleaning for the chambers of .308 caliber semiautomatic rifles. To ensure your safety and the optimal performance of the product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the brush in accordance with the manufacturer's instructions.
- Inspect the brush before each use for any signs of damage or wear.
- Keep the brush out of reach of children and vulnerable individuals.
- Use protective eyewear when cleaning firearms to prevent injury from debris.
- Ensure that the firearm is unloaded and pointed in a safe direction before cleaning.
- Store the brush in a dry place, away from extreme temperatures and humidity.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Only use the ratchet chamber brush with a  $\frac{1}{4}$ " diameter cleaning rod.
- Do not force the brush into the chamber; it should fit comfortably.
- Avoid using excessive force when cleaning to prevent damage to the brush or firearm.
- Do not use the brush for purposes other than intended cleaning of .308 caliber chambers.
- If you experience any difficulty while using the brush, stop immediately and reassess the situation.
- Follow all local laws and regulations regarding firearm cleaning and maintenance.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and in a safe location.
- Gather necessary cleaning supplies, including the ratchet chamber brush and a  $\frac{1}{4}$ " cleaning rod.

### 2. Attaching the Brush:

- Insert the cleaning rod into the rear end of the ratchet chamber brush.
- Ensure that the connection is secure before proceeding.

### 3. Using the Brush:

- Carefully insert the brush into the chamber of the firearm.
- Rotate the cleaning rod to actuate the ratchet mechanism.
- Move the brush in a circular motion for thorough cleaning.
- Remove the brush from the chamber once cleaning is complete.

### 4. PostCleaning:

- Inspect the brush for any damage after use.
- Clean the brush with a suitable solvent if necessary, and allow it to dry completely before storage.

## Disposal Instructions

- Dispose of the ratchet chamber brush responsibly in accordance with local regulations.
- Do not dispose of the brush in regular household waste if it is damaged or contains hazardous materials.
- Consider recycling options where available.

## Contact Information for Further Support

For any inquiries regarding the M14/M1A/M1 Ratchet Chamber Brush, please refer to the manufacturer's customer service resources. Ensure that you have the product details and any relevant information ready for assistance.

By following these safety instructions, you can ensure a safer and more effective cleaning experience. Thank you for your attention to these guidelines.
