# Safety Instruction Guide for "HANDLED" Chamber Brushes

## Introduction

Thank you for choosing the "HANDLED" Chamber Brushes by Brownells. This product is designed to effectively clean shotgun chambers, ensuring optimal performance and safety. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Always handle the chamber brushes with care to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the chamber brush before use for any signs of damage.
- Use only as intended; do not modify or misuse the product.
- Store the chamber brushes in a dry place, away from direct sunlight and moisture.
- Follow all local regulations regarding the use and disposal of cleaning products.

## Specific Safety Precautions for Use

- Ensure that the shotgun is unloaded before using the chamber brush.
- Wear appropriate personal protective equipment (PPE), such as gloves and safety goggles, to prevent contact with cleaning solvents and debris.
- Avoid using excessive force when cleaning to prevent damage to the chamber or brush.
- Do not use the chamber brush on hot surfaces or immediately after firing the shotgun.
- If any cleaning solvent is used, ensure proper ventilation in the area to avoid inhalation of fumes.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the shotgun is completely unloaded.
- Gather all necessary cleaning supplies, including the chamber brush and any cleaning solvents.

### 2. Using the Chamber Brush:

- Attach the chamber brush to a cleaning rod or handle compatible with the brush.
- Insert the brush into the shotgun chamber, ensuring it fits snugly.
- Rotate the brush gently while pushing it in and out of the chamber to remove fouling and debris.
- Repeat the process as necessary until the chamber is clean.

### 3. PostUse Care:

- Clean the chamber brush with appropriate solvents and allow it to dry completely before storing.
- Store the chamber brush in a protective case or designated storage area to prevent damage.

## Disposal Instructions

- Dispose of any used cleaning solvents and materials in accordance with local regulations.
- Recycle the chamber brush if possible, following local recycling guidelines.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding this product, please refer to the EU contact point provided on the product packaging or documentation.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
