# Safety Instruction Guide for HANDLED Chamber Brushes

## Introduction

Thank you for choosing the HANDLED Chamber Brushes by Brownells. This guide provides essential safety instructions and information to ensure the safe and effective use of your chamber brush. Please read this guide carefully before using the product.

## General Safety Guidelines

- Always handle the chamber brush with care to avoid injury.
- Keep the chamber brush out of reach of children and vulnerable individuals.
- Inspect the brush for any damage before use. Do not use if damaged.
- Ensure you are using the correct brush for your shotgun caliber (12 Gauge).
- Use the brush only for its intended purpose: cleaning shotgun chambers.
- Follow all local laws and regulations regarding the use of firearm cleaning products.

## Specific Safety Precautions for Use

- Wear safety goggles to protect your eyes from debris while cleaning.
- Use gloves to protect your hands from cleaning solvents and chemicals.
- Work in a well-ventilated area to avoid inhalation of fumes from cleaning products.
- Do not apply excessive force when using the brush to prevent breakage or injury.
- Keep your workspace clean and organized to avoid accidents.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your shotgun is unloaded and pointed in a safe direction.
- Gather your cleaning supplies, including the HANDLED Chamber Brush, cleaning solvent, and a cleaning rod if necessary.

### 2. Using the Chamber Brush:

- Attach the chamber brush to the cleaning rod if not using the handle directly.
- Apply a small amount of cleaning solvent to the bristles of the brush.
- Insert the brush into the shotgun chamber, ensuring it fits securely.
- Rotate the brush gently while pulling it in and out of the chamber to remove fouling.
- Repeat as necessary until the chamber is clean.

### 3. PostUse:

- Clean the chamber brush with warm water and mild soap to remove any residue.
- Allow the brush to air dry completely before storing it.
- Store the chamber brush in a cool, dry place away from direct sunlight.

## Disposal Instructions

- Dispose of the chamber brush in accordance with local regulations for cleaning supplies and materials.
- Do not dispose of the brush in regular household waste if it contains hazardous materials.
- Check with local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the HANDLED Chamber Brushes, please consult your retailer or the manufacturer for assistance. Always refer to the EU Safety Gate platform for updates on product recalls and safety alerts.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective cleaning experience with your HANDLED Chamber Brushes.
