# Safety Instruction Guide for HANDLED CHAMBER BRUSHES

## Introduction

Thank you for purchasing the HANDLED CHAMBER BRUSHES by BROWNELLS. This product is designed to help you maintain your shotgun by effectively cleaning the chamber area. To ensure your safety and the proper use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the chamber brush in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the chamber brush before use for any signs of damage or wear.
- Use the product only for its intended purpose; do not modify or alter it.
- If you notice any unusual behavior during use, stop immediately and inspect the product.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Wear safety goggles to protect your eyes from debris while cleaning.
- Ensure the shotgun is unloaded before using the chamber brush.
- Avoid using excessive force while cleaning to prevent damage to the barrel or the brush.
- Do not use the brush on hot surfaces or immediately after firing the shotgun.
- Store the brush in a dry place, away from moisture and extreme temperatures.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the shotgun is completely unloaded.
- Gather all necessary cleaning supplies, including the HANDLED CHAMBER BRUSH and cleaning solvent.

### 2. Usage:

- Attach the chamber brush to the cleaning rod or handle.
- Apply a small amount of cleaning solvent to the bristles of the brush.
- Insert the brush into the shotgun chamber and gently twist while pulling it in and out to remove fouling.
- Repeat as necessary until the chamber is clean.
- After use, clean the brush with solvent and store it properly.

### 3. PostUsage:

- Inspect the brush for any bristle wear or damage after each use.
- Dispose of any damaged brushes according to local regulations.

## Disposal Instructions

- Dispose of the HANDLED CHAMBER BRUSH in accordance with local waste management regulations.
- If the brush is damaged or worn out, do not attempt to repair it; dispose of it responsibly.

## **Contact Information for Further Support**

For any inquiries related to safety or product usage, please reach out to your local BROWNELLS representative or authorized dealer for assistance.

By following these safety guidelines and instructions, you can ensure a safe and effective cleaning experience with your HANDLED CHAMBER BRUSHES. Thank you for prioritizing safety and responsible product use.
