Safety Instructions for BABBITT BARS BABBITT BAR, ROUND, 6" LONG

Introduction

Thank you for purchasing the BABBITT BARS BABBITT BAR, ROUND, 6" LONG. This product is designed to provide a cushioned "hammer" blow for loosening side plates and correcting alignment. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the product as intended, following the manufacturer's instructions.
- Inspect the product for any damage or wear before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Ensure that your workspace is clean and free of hazards before using the product.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when using this product.
- Be aware of your surroundings and ensure that no one is in the vicinity while using the product.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Stay informed about recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure proper grip and control of the BABBITT BAR during use to avoid accidental slips.
- Do not use excessive force that may lead to loss of control or damage to the product.
- When using the trapezoid shaped bar, ensure the base is stable to prevent it from tipping over.
- Avoid using the product on surfaces that are not designed to withstand impact or pressure.
- Do not modify the product in any way; alterations can compromise safety and effectiveness.

Instructions for Installation and Usage

1. Preparation:

- Identify the task at hand and ensure that the area is clear of any obstructions.
- Gather all necessary tools and protective equipment.

2. Using the Round BABBITT BAR:

- Hold the bar firmly at the nonstriking end.
- Position the striking end against the side plate or alignment area.
- Apply a controlled, firm blow to achieve the desired effect.
- Repeat as necessary, ensuring to maintain control of the bar.

3. Using the Trapezoid BABBITT BAR:

- Ensure the base of the trapezoid is stable on the surface.
- Grip the bar securely and position it appropriately.
- Strike with a controlled motion, ensuring to keep fingers clear of the impact area.
- Assess the alignment after each strike to avoid overadjusting.

4. PostUse:

- Clean the product after use to remove any debris or residues.

- Store in a safe, dry location away from children and pets.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged beyond repair, ensure it is recycled or disposed of in an environmentally friendly manner.
- Do not dispose of the product in regular household waste if it contains materials that could be harmful to the environment.

Contact Information for Further Support

For any safety inquiries or additional support regarding the BABBITT BARS BABBITT BAR, ROUND, 6" LONG, please refer to the contact information provided by the retailer or manufacturer. Ensure to keep this information accessible for future reference.

By following these safety instructions, you can ensure the safe and effective use of your BABBITT BARS BABBITT BAR, ROUND, 6" LONG. Thank you for prioritizing safety!
