

SINGLE STUB CLAIM CHECKS - BROWNELLS SINGLE STUB CLAIM CHECKS, CC-1, 100 PACK

[Gunsmith Tools](#) > [Shop Accessories & Supplies](#) > [Claim Checks](#)

Avoid Costly Mistakes, Misunderstandings, Mad Customers

Nothing reinforces the professionalism of your gunsmithing business like the use of a well-designed claim check. Our CC-1 single-stub checks have plenty of space for detailed information about the work to be performed, the parts required, the firearm's condition, plus make, model, serial number, owner's address, and much more. You'll be able to record a complete record of the job, and provide your customer with a perforated stub to prevent wrongful claiming of a completed repair job. Bottom stub is left blank on the back so you can stamp it with your shop's address or logo.

Safety Instruction Guide for SINGLE STUB CLAIM CHECKS BROWNELLS CC1

Introduction

Thank you for choosing the SINGLE STUB CLAIM CHECKS BROWNELLS CC1. This guide provides essential safety information to ensure the safe and effective use of this product. Please read this guide carefully before using the claim checks.

General Safety Guidelines

- Ensure that the claim checks are used only for their intended purpose.
- Keep the claim checks away from moisture to maintain their quality and effectiveness.
- Store the claim checks in a cool, dry place, away from direct sunlight.
- Regularly inspect the claim checks for any signs of damage or wear before use.
- If you notice any defects or issues, do not use the claim checks and report them to the appropriate authorities.

Specific Safety Precautions for Use

- When filling out the claim checks, ensure that all information is legible and complete to avoid confusion.
- Do not use the claim checks for any purpose other than documenting service or repair details.
- Keep the claim checks out of reach of children and vulnerable individuals to prevent misuse.
- If using stamps or labels on the claim checks, ensure that the ink or adhesive is safe and nontoxic.
- Dispose of any unused or damaged claim checks properly to prevent accidental use.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary information about the service or repair to be documented.
- Ensure that you have a pen or marker that is suitable for writing on the claim checks.

2. Filling Out the Claim Check:

- Clearly write the following information on the claim check:
 - Work to be performed
 - Parts required
 - Firearm's condition
 - Make, model, and serial number
 - Owner's address
- Ensure that the information is accurate and legible.

3. Providing the Stub:

- After filling out the claim check, detach the perforated stub and provide it to the customer.
- Remind the customer to keep the stub safe, as it is essential for claiming their completed repair job.

4. Stamping the Bottom Stub:

- Use a stamp or label to add your shop's address or logo to the back of the bottom stub.
- Ensure that the ink or adhesive used is safe and does not compromise the integrity of the claim

check.

5. Record Keeping:

- Maintain a copy of the filled claim check for your records to ensure accurate tracking of services performed.

Disposal Instructions

- Dispose of any unused claim checks in accordance with local regulations.
- If the claim checks are damaged or no longer needed, ensure they are shredded or otherwise rendered unusable to prevent unauthorized access to information.

Contact Information for Further Support

For any inquiries or safety concerns regarding this product, please refer to the appropriate EBased contact point for assistance.

This safety instruction guide is designed to ensure the safe and effective use of the SINGLE STUB CLAIM CHECKS BROWNELLS CC1. By following these guidelines, you can help maintain a professional and secure environment for your gunsmithing business.
